1.0 DISCUSSION WITH ANGELIKA SCHROEDER, COLORADO BOARD OF EDUCATION CHAIR

Angelika Schroeder, Colorado Board of Education Chair, met with PSD Board members to discuss state standards, specifically reviewing, changes, and standards not aligning with common core. Discussions also included the make-up of the state board of education.

Ms. Schroeder indicated that the review of the Science standards would be coming up at their next meeting and they might be controversial. She was asked if it would be helpful for PSD representatives to testify. PSD will check in with the science curriculum team to see what their input has been, and is, on the Science standards review.

PSD Board directors discussed with Ms. Schroeder, the Social Studies standards and changes to graduation requirements. There was also discussion on how to advocate for legislative items by being present to support ideas when they are discussed at the State Board of Education meetings.

The meeting adjourned at 8:55 a.m.

Respectfully submitted,

Valerie Stoddard
