

Agriculture (AG) Leasing Renewal Instructions

Application Deadline:

All renewal applications must be submitted by October 30, 2020.

A renewal application does not guarantee a lease renewal. The competitive bid process will be followed and bids will represent a fair market value.

All incomplete applications will be returned and may result in a delay in processing your lease renewal.

Applicant Information:

All applicants must be 21 years of age. All individuals wishing to hold an interest in the expiring lease must complete and sign the application form (up to four applicants). The first applicant will be considered the "Lessee of Record" and will receive all correspondence and bills for the lease.

To add a new individual/entity to the lease, simply add the new name(s) to the application.

IMPORTANT: Only existing lessees/entities that currently hold the lease have rights to renew.

Applying as a Business Entity:

If the applicant is a corporation or company, the application must include a current Certificate of Good Standing from the Colorado Secretary of State and a copy of the corporation's Articles of Incorporation including a list of the entity's officers/directors/stockholders demonstrating who has the ability to bind the entity. If the applicant is a partnership, it must include a list of the partners and a copy of the Partnership Agreement or Articles of Partnership.

Death of a Participating Lessee:

If the lease is held in Joint Tenancy, a copy of the death certificate is required to remove the deceased lessee from the lease. In the case of the death of the sole lessee, the Board will temporarily assign the lease to his/her estate upon receipt of a copy of the death certificate and Letters Testamentary. However, an estate cannot apply to renew a lease.

Resource Management Questionnaire:

The enclosed Resource Management Questionnaire must be completed, signed and returned with the Agricultural Lease Application.

Livestock Ownership:

Please submit a copy of your Brand Wallet Card or other proof of livestock ownership with your application.

Note: Unless subject to exemption, applications and any information provided to the Poudre School District are subject to public release through the Colorado Open Records Act.
