

### Overview of the GT program at this school

#### Bennett's GT Program:

- Provides complex, in-depth content in a small group setting
- Provides social and emotional skill-building and support
- Acknowledges students' strengths and interests and builds on them through an interdisciplinary approach
- Fosters the IB learner profile: as IB learners we strive to be inquirers, knowledgeable, thinkers, communicators, principled, open-minded, caring, risk-takers, balanced, and reflective..
- Supports the academic and social/emotional needs of all students through a variety of experiences in and out of the classroom.

### Advanced Learning Plan process at this school

Students, with the help of their classroom teacher and the GT coordinator, set achievement and affective goals. The GT coordinator, classroom teacher, and school counselor work together to provide students with resources and support as they work toward their goals. Students are regularly provided with opportunities to reflect on their progress.

### Programming opportunities for GT students

- Small group, in-depth learning
- Differentiated curriculum, instruction, and assessment
- Instructional strategies such as tiered assignments, open-ended projects, and focused grouping

### Enrichment opportunities for GT students during school

- Regular small group GT meetings
- Mighty Math Minds
- Student Ambassadors
- Book Club Enrichment
- Spelling Bee
- WIN time

*\* These are offered depending on school scheduling.*

### Enrichment opportunities for GT students before or after school

- Odyssey of the Mind
- Bennett Running Club
- Art Class Offerings
- Choir
- Lego Club
- Chess Club
- Robotics and Coding Club

*\* These are offered depending on school scheduling*

### Affective programming for GT students

The Gifted and Talented Program at Bennett recognizes the GT student's unique affective characteristics. Their needs and growth are supported by our school counselor, the GT coordinator, and the classroom teacher.

Grade-specific GT services

5th-grade students have the opportunity to become Student Ambassadors. 4th and 5th-grade students participate in the Spelling Bee and Mighty Math Minds.
