- support the Poudre School District Ends

ARTICLE 4 – NEGOTIATIONS PROCESSES AND PROCEDURES

4.1 NEGOTIATIONS BELIEF STATEMENTS

- 4.1.1 We believe that all decisions must be made with the best interest of students in mind.
- 4.1.2 Each group will weigh the value of the issues and will willingly prioritize so that the end result will improve the educational opportunity for students.
- 4.1.3 If we have to face scarcity, the process will assist us in being creative in finding solutions to issues to provide the best education for students.
- 4.1.4 We believe that decisions must be made that value and empower employees.
- 4.1.5 We believe that a consensus process is the best way to resolve issues.
 - The process will stay intact even while resolving the toughest issues.
 - The consensus process will work in times of scarcity and in times of plenty.
 - The process will be flexible and continually improved to meet the needs of the District and the community.
 - If consensus cannot be reached, we agree to seek alternative solutions.
- 4.1.6 We believe that decisions should be made through a collaborative and cooperative effort by all groups working together to create the best environment and conditions for education to take place.
 - The consensus process will promote and enhance the "we" concept.
 - By improving our individual situation, we will find innovative ways to improve education no matter what the financial situation is.
 - All recommendations going to the Board of Education will be the result of consensus of all groups.
 - All participants in the process will have equal opportunity to access the information concerning the negotiation items.

4.2 STATEMENT OF INTENT

The consensus process will be used to promote negotiation and problem- solving activities and lead to voluntary, equitable agreements on a timely basis within an environment of trust and open communication. The purpose and focus of the annual employee negotiations process is salary, benefits and working conditions. It is understood and agreed that issues identified as topics for negotiations should be limited to issues related to salary, benefits and working conditions.

4.3 REPRESENTATION

The consensus process will be used in negotiations. Four teams, one representing each employee group (Poudre Education Association, Association of Classified Employees, Poudre Association of School Executives) and one representing the Board of Education, will participate in the process. Each team will consist of a maximum of 12 members selected at the discretion of each team identified prior to the start of negotiations. In- District resource people will be agreed upon by the Superintendent and presidents of each team. Resource people will serve as advisory to all teams and will participate only in the topics related to their areas of expertise.

4.3.1 All negotiations participants will be expected to:

- Honestly communicate information and interests
- Participate openly in all negotiations sessions
- Seek consensus
- Be involved in committees

Negotiations leaders affirm the mission of the District is service to students and understand participants need to complete jobs in a timely matter. It is also acknowledged that negotiations participants invest large amounts of time beyond regular working hours in behalf of the best interests of District employees.

If negotiations responsibilities frequently overlap with scheduled work hours, supervisors and negotiations participants should communicate about those constraints to reach a mutually agreeable balance between these two sets of expectations. The Senior Director of Human Resources, in consultation with the employee group presidents, will be available to discuss and, when necessary, mediate unresolved concerns between the employee and their supervisor.

4.4 FACILITATOR

The selection of a facilitator or facilitators will be made by representatives of each employee group prior to each year's negotiation process. The facilitator deals with arrangements, interpretation of protocols, the group process, and conflict resolution, but does not offer content input on any issue under consideration.

4.5 ISSUES SETTING MEETING

All representatives of groups will participate in the Issues Setting meeting in which all issues from each group are formally introduced, clarified, and assigned to appropriate committees. Subsequent whole group meetings will be held to hear committee reports, discuss proposed solutions, and reach agreement on solutions.

Issues not brought to the Issues Setting meeting can be brought forward only with the agreement of the majority of the negotiations groups.

All issues shall be introduced during the Issues Resolutions meetings prior to the Issues Setting meeting.

4.6 SUBCOMMITTEES

District negotiations committees and subcommittees may be formed as the need arises. District subcommittees on negotiations related issues should have equal representation among the employee

Revised: 04/15

Revised: 04/15

groups with representatives appointed by the respective employee group. Employee group presidents must approve the formation of all District negotiations related committees. In order to provide effective and consistent committee facilitation, whenever feasible and appropriate, District subcommittees and study groups established to address negotiations issues will be facilitated by a person trained in the consensus process.

A member of the negotiations team will present negotiations committee reports with the exception of the budget and benefits presentations. Any person not on the negotiations teams may present information in the negotiations sessions only if all groups are in agreement to allow the exception.

4.7 LARGE GROUP SESSIONS

At the large group session(s), committees will report optimal solutions to issues assigned to them. The large group will attempt to reach consensus on each of the issues. The Issues Resolution Group will be responsible for overseeing the completion and integration of each year's Memo of Understanding into the Employee Agreement.

4.8 REQUESTING A WAIVER FROM EMPLOYEE AGREEMENT LANGUAGE

When any group identifies a compelling need to request a waiver from Employee Agreement language, it must be based on one or more of the following criteria:

- Budget emergency
- Unique circumstance at a school or department
- Unintended, harmful consequences resulting from the implementation of Employee Agreement language
- Flexibility needed to keep Employee Agreement language from being a barrier to student achievement initiatives

The process to be used is outlined below:

- The Issues Resolution Group and the Superintendent or designee identifies an Employee Agreement language issue that needs to be discussed for a possible waiver. The issue is put in writing by the group with the concern and shared with the Issues Resolution Group and the Superintendent or designee.
- Data and information is gathered by the appropriate resource people to be sure all pertinent information is available for review.
- The entire Issues Resolution Group will review the information and draft a proposed solution.
- Any proposed solution will be shared with the appropriate representative leadership group of each Employee Group and the Superintendent or designee.
- A waiver will only be granted, with the unanimous consent of the Issues Resolution Group and the Superintendent or designee.
- If a waiver is granted, it will be communicated to all employees affected by the waiver.
- The waiver will be in effect until the issue can be presented at the next negotiations process for formal action.

4.9 RATIFICATION OF SOLUTIONS

Before final adoption, a representative of each group will review and approve the language of all agreements, including salary/benefit changes and working conditions adjustments agreed upon by the Large Group. Each participating group will then recommend the agreement to their respective decision-making bodies for approval or ratification. Matters of policy and written agreement will then be presented to the Board of Education for final approval. This final agreement will be provided to the Board of Education and the administration prior to the Board of Education's formal vote on the negotiated agreement.

4.10 UNRESOLVED ISSUES

The Large Group may agree to refer any unresolved issue back to the appropriate committee for further study. Committees that continue to work after the close of negotiations will be given a set timeline for reporting their recommendation(s) back to the large group. A special session of the large group may be called to reconsider any issue which was unresolved during the negotiations process. In the event that this second effort at resolving an issue is unsuccessful, then by consensus the negotiations group will determine and pursue an alternative method of resolution. Two methods have been established for the discussion and resolution of issues on an ongoing basis throughout the year.

4.10.1 Superintendent's Issues Resolution Group

Employee Groups, the Superintendent's Cabinet, and the Board of Education may bring issues to Superintendent's Issues Resolution Group through their representation on Superintendent's Issues Resolution Group. With the approval of Superintendent's Issues Resolution Group, issues may be referred to negotiations' standing committees or other groups in order to formulate specific recommendations for consideration by Superintendent's Cabinet. Issues may also be referred to specific sites or departments as appropriate for resolution. The Superintendent's Issues Resolution Group should meet quarterly, unless mutually agreed upon otherwise.

4.10.2 Issues Resolution Group

During the school year, the Superintendent or designee, and the Employee Group Presidents will meet weekly, unless mutually agreed upon otherwise, to discuss and resolve issues. Other people may attend these meetings as necessary with the agreement of all participants. Decisions may be made with the agreement of the Employee Group Presidents and the administration. It is understood that decisions having significant budget impact or involving substantial Employee Agreement changes will be presented as a recommendation for the negotiations process. If the issue is one that would normally be a subject of the annual formal negotiation process but is of an immediate nature and needs to be resolved in a timelier manner, a formal negotiation session will be scheduled as soon as possible, or the waiver process, described in Section 4.8, if the criteria are met should be implemented. Any such negotiation meeting will be limited to the issue(s) as specified in the notification for a formal negotiations session.

- Any member of the public, including media reps and Poudre School District employees, may observe the sessions based on designated available space as agreed to by all negotiation teams.

8.4.1 Highly Effective: A Highly Effective rating shall be given when the classified employee's performance clearly and consistently exceeds requirements, responsibilities and

Revised: 04/15

Revised: 03/20

expectations of the job and demonstrates mastery of the skills required.

8.4.2 Effective: An Effective rating shall be given when the classified employee's performance meets requirements, responsibilities, and expectations of the job and demonstrates proficiency of the skills required.

8.4.3 Partially Effective: A Partially Effective rating shall be given when a classified employee's performance does not consistently demonstrate proficiency in many of the requirements, responsibilities, expectations and skills

8.4.3.1 The employee's level of performance is not meeting expectations in some areas and requires a conference with their supervisor and shall warrant a performance improvement plan. Employees placed on a performance improvement plan to improve or correct performance deficiencies must receive regular written feedback on their performance.

8.4.4 Ineffective: An ineffective rating shall be given when a classified employee's performance does not meet job requirements, responsibilities, expectations, and skills:

8.4.4.1 The employee's level of performance is not acceptable and warrants immediate corrective action, including potential demotion or termination if improvement is not accomplished within a specified period of time.

8.5 EMPLOYEES ON CORRECTIVE ACTION PLANS:

8.5.1 Corrective action may be necessary when the classified employee's level of performance is not acceptable and warrants immediate corrective action, including potential demotion or termination if improvement is not accomplished within a specified period of time.

8.5.2 Employees who have been placed on corrective action plans to improve or correct performance deficiencies must receive regular written feedback. Performance on the corrective action will be used to determine whether to end or extend this plan, or to support a recommendation for further disciplinary action. Supervisors are required to work directly with Human Resources staff in these situations.

8.5.3 Any classified employee on a corrective action will be ineligible for any negotiated salary increase or adjustment during the disciplinary period. Upon successful completion of corrective action, the employee shall become eligible for any ongoing salary increase effective as of the date they are returned to regular employment status. No retroactive salary adjustments shall be given.

ARTICLE 9 – EVALUATION OF PRINCIPALS, ADMINISTRATORS & PROFESSIONALS

9.1 BELIEFS ABOUT THE IMPORTANCE OF ADMINISTRATOR LEADERSHIP

The District and its community are committed to a high-quality education for every child, every day. As employees, we believe our role is to support and inspire every child to think, to learn, to care, and to graduate prepared to be successful in a changing world. Effective leadership, with particular emphasis on instructional improvement, facilitates these purposes and guides the District’s mission of student achievement.

The District acknowledges its role in evaluating administrators as directed by Colorado state law and Colorado Department of Education regulations. This role is related to the mission and priorities of the District and is based on the philosophy that staff growth is supported and judged by the on-going process of performance supervision and evaluation.

9.2 PURPOSE OF THE ADMINISTRATOR EVALUATION

Administrator evaluation should create a culture of executive leadership that encourages self-reflection and requires improvement in practice. Through the use of this evaluation instrument, administrators should be able to observe the following outcomes:

- growth leading to greater leadership skills
- an increased understanding of performance expectations
- organizational improvement
- the recognition of individual accomplishment
- improved student achievement

9.2.1 The District shall conduct all evaluations so as to observe the legal and constitutional rights of the administrative personnel. No minor deviation in the evaluation procedures shall invalidate the process or the evaluation report. Nothing in this policy shall be construed to imply in any manner the establishment of any property rights or expectance or entitlement to continued employment not explicitly established by statute, Board policy, or contract. Neither shall this policy and/or the evaluation system be deemed or construed to establish any conditions prerequisite relative to renewal of contracts, transfer, assignment, dismissal, or other employment decisions relating to school personnel.

All employment decisions remain with the sole and continuing discretion of the Board of Education, subject only to the conditions and limitations prescribed by Colorado law.

9.3 THE PROCESS OVERVIEW – SCHOOL BASED ADMINISTRATORS

School based administrators shall receive an evaluation each academic year. The evaluation, informed by a body of evidence collected systematically in the months prior, shall rate a school-based

administrator as highly effective, effective, partially effective, or ineffective.

9.3.1 Required Measures:

- Input from teachers employed at the school-based administrator's school, provided that clear expectation is established prior to collection of the data that at least one of the purposes of collecting the input is to inform an evaluation of the school-based administrator's performance and provided that systems are put in place to ensure that the information collected remains anonymous and confidential
- The percentage and number of teachers in the school who are rated as highly effective; effective; partially effective; and ineffective
- The number and percentage of teachers who are improving their performance, in comparison to the goals articulated in the school-based administrator's Professional Performance Plan

9.3.2 The evidence that may be included in the evaluation process are teacher, principal, and student actions and behaviors and artifacts prepared by the principal, assistant principals, teachers, students, or others.

The process of evaluation will include:

- a self-evaluation
- goal conference
- stakeholder input sought through various means up to and including a multi-source standardized instrument
- observations
- formative feedback
- a summative conference

9.3.3 During the summative conference, the evaluator will share and discuss commendations and recommendations concerning a school-based administrator's strengths and areas of growth. Finally, the evaluator will make a recommendation about the employment status of the individual.

9.3.4 The Superintendent shall require annual evaluation of all school-based administrators by properly licensed supervisors who have principal and/or administrative licensure and training in evaluation skills.

9.4 THE PROCESS OVERVIEW – CENTRAL OFFICE ADMINISTRATORS AND PROFESSIONALS

Central Office Administrators and Professionals shall receive an evaluation every year. The evaluation, informed by a body of evidence collected systematically in the months prior, shall rate a central office administrator or professional as highly effective, effective, partially effective, or ineffective.

9.4.1 Required Measures:

Input from staff employed in the central office administrator's or professional's department, provided that clear expectation is established prior to collection of the data that at least one of the purposes of collecting the input is to inform an evaluation of the central office administrator's or professional's performance and provided that systems are put in place to ensure that the information collected remains anonymous and confidential.

9.4.2 The evidence that may be included in the evaluation process are staff, peer, and community input and actions, behaviors, and artifacts prepared by the central office administrator, professional, or others.

The process of evaluation will include:

- a self-evaluation
- goal conference
- stakeholder input sought through various means up to and including a multi-source standardized instrument
- observations
- formative feedback
- a summative conference

9.4.3 During the summative conference, the evaluator will share and discuss commendations and recommendations concerning a central office administrator's or professional's strengths and areas of growth.

9.4.4 The Superintendent shall require regular evaluation of all central office administrators and professionals by properly qualified supervisors who have training in evaluation skills.

9.5 EVALUATION OF INDIVIDUAL STANDARDS

Performance feedback will be provided for each standard using the indicators and their rubrics as guides. Performance on each standard will be judged using the following designations: Highly Effective, Effective, Partially Effective, and Ineffective.

Revised: 04/15 Revised: 04/16 Revised: 03/20

9.6 SUMMARY EVALUATION

The formal evaluation shall be completed using the appropriate evaluation form and will be retained in the employee's personnel file.

9.6.1 Summative Determination

Each evaluation will result in one of the following judgments:

Highly Effective:

The administrator or professional consistently exceeds expectations in all performance standards as defined by performance areas, criteria and indicators, site/District goals, job descriptions, professional goals and evaluator expectations.

Effective:

The administrator or professional fully meets or exceeds District performance standards as defined by performance areas, criteria and indicators, site/District goals, job descriptions, professional goals and evaluator expectations.

Partially Effective:

The administrator's or professional's performance does not consistently meet job requirements, responsibilities and expectations.

Ineffective:

There is little or no evidence that the administrator or professional meets District performance standards as defined by performance areas, criteria and indicators, site/District goals, job descriptions, professional goals and evaluator expectations.

ARTICLE 10 – EVALUATION OF LICENSED EMPLOYEES

10.1 PURPOSE AND BELIEFS

- 10.1.1 The educator evaluation process is designed to identify effectiveness of professional practice and evidence of student academic growth.
- 10.1.2 Just as we nurture and promote the growth of our students through formative feedback and self-assessment, we also affirm and support the professional growth of teachers and other licensed employees through the evaluation process.
- 10.1.3 This system is based on sound educational practices and is not a product of any particular educational methodology.
- 10.1.4 The process of evaluation, including the process of observation and conferencing, shall be continuous, collaborative, and based on an inquiry process.
- 10.1.5 The most effective evaluation occurs when teachers are empowered and supported to be reflective.
- 10.1.6 The improvement of instruction is a responsibility shared by both the evaluator and the employee being evaluated.
- 10.1.7 Teaching and learning occurs within a larger, extremely complex system, and the effectiveness of that system impacts the effectiveness of the teaching and learning.
- 10.1.8 Successful evaluation is based on the establishment of collaboration and trust among staff.

10.2 EVALUATION PROCESS

- 10.2.1 This process must be completed annually for all licensed staff. The District shall make every effort to ensure that evaluation information will remain confidential.
- 10.2.2 Evaluation of licensed employees will be based equally on elements and indicators of effective instruction and measures of student academic growth, and will use multiple, fair, and valid strategies to determine overall effectiveness. The District will ensure that student academic growth can be reliably and statistically attributed to individual licensed staff members. Staff should clearly understand which students' growth data will be attributed to them.
- 10.2.3 Licensed employees may request any representative of their choosing (such as a PEA representative, colleague, etc.) to meetings and conferences with their evaluator related to the evaluation process.
- 10.2.4 Evaluators
 - 10.2.4.1 A primary evaluator shall be identified for each licensed employee. The evaluator is a building administrator or designee assigned to monitor and evaluate the performance of a licensed employee.
 - 10.2.4.2 When appropriate to better inform the evaluation, or when requested by the

licensed employee, other administrators may also observe the licensed employee and provide input (for example, evaluations of special service professionals, early childhood or world language teachers, etc.).

- 10.2.4.3 In all cases the evaluator or designee is hired by the District as a licensed evaluator.
- 10.2.4.4 The District shall ensure that all evaluators are effective or highly effective and receive the support and training to become so through the confidential administrator evaluation process.
- 10.2.5 The evaluator shall be responsible for holding an information- sharing meeting within the first thirty school days of each school year to ensure that each staff member is familiar with the evaluation process, including the performance areas or dimensions, criteria and indicators, performance levels and ratings, important dates, and forms to be used. These information-sharing meetings may occur individually or in groups.
 - 10.2.5.1 Documents that support the evaluation process shall be created collaboratively by the Human Resources Department, PEA, PASE, and the Assistant Superintendents of Schools.
 - 10.2.5.2 These documents will be uniform throughout the District based on job assignment and shall be provided to each licensed employee.
- 10.2.6 The licensed employee shall complete a self-evaluation to be shared with the evaluator at the discretion of the licensed employee.
- 10.2.7 The evaluator and licensed employee shall meet at the beginning of each school year to discuss a Professional Growth Plan to be created by the licensed employee by the end of the first quarter of the school year. Copies of the Professional Growth Plan will be retained electronically by both the evaluator and licensed employee.
 - 10.2.7.1 Frequent dialogue between the evaluator and the licensed employee is encouraged. Goals contained within the Professional Growth Plan should be monitored and discussed.
- 10.2.8 The evaluator and employee being evaluated shall meet to discuss the licensed employee's progress prior to the end of the first semester. Unless there are noted concerns, this conference may be combined with a post-observation conference. The evaluator shall provide support if concerns are noted in a teacher's performance. The licensed employee may also bring issues about which they have concerns at this time.
- 10.2.9 When an evaluator notes performance concerns that may lead to a summative evaluation rating of partially effective or ineffective, multiple follow-up conferences (formal or informal) shall be held and documented to review progress toward improvement in noted areas. These conferences may be combined with a post- observation conference prior to

the summative evaluation conference.

10.2.10 Formal Observations

- 10.2.10.1 A formal observation is a classroom visitation by the evaluator of at least 30 uninterrupted minutes, resulting in a written observation record and a post-observation conference within five school days. The scheduling of a formal observation will be collaboratively determined by the evaluator and the employee being evaluated.
- 10.2.10.2 A formal alternative observation is a classroom visitation by the non-probationary licensed employee of at least 30 uninterrupted minutes that must be completed in the first semester, resulting in a written self-reflection tied to the licensed employee's 5D+ area of focus.
- 10.2.10.3 A post-observation conference is a required meeting between the evaluator and the licensed employee within five school days of a formal, or alternative formal observation process for the purpose of discussing the observation and other factors related to the employee's performance.
- 10.2.10.4 Written record of the formal observation must be provided to the licensed employee.
- 10.2.10.5 Non-probationary licensed employees shall receive at least two formal documented observations, followed by observation conferences, each academic year unless the previous year's overall performance rating is effective or highly effective and no performance concerns exist. Upon mutual consent of the licensed employee and the evaluator, one formal observation may be conducted.
 - (A) Option A – One formal observation conducted by their evaluator as per 10.2.10.1
 - (B) Option B – One formal alternative observation option completed by the licensed employee as per 10.2.10.7 – Pilot year 2023-2024
- 10.2.10.6 Probationary licensed employees shall receive at least two formal documented observations, followed by observation conferences, each academic year.

10.2.10.7 Alternative Formal Observation Process –

- (A) Non-probationary licensed employees with an overall rating of Highly Effective for 3 consecutive years, with no performance concern, may choose to be evaluated with the alternative options listed below. Licensed employees and the evaluator will select this mutually agreed upon option in their Professional Growth Plan meeting at the beginning of the year. At any time throughout the year, the evaluator can choose to complete an additional formal observation as described in 10.2.10.7.
- (B) The alternative evaluation option prioritizes feedback through self-assessment and reflection as part of the evaluation process. Licensed employees who select the alternative option may do so for two (2) consecutive years within the 3-year evaluation cycle, with evaluator approval. After two (2) years, the teacher will be evaluated through the formal observation process from their evaluator as described in 10.2.10.7. Participation in the formal observation process described in 10.2.10.7 will ensure licensed staff are provided with formal feedback at the mid-point of their teacher licensure.
- (C) Non-probationary licensed employees who select the alternative option will not automatically retain their evaluation ratings from the previous school year and the evaluator may choose to complete a formal observation at any time during the school year to address new performance concerns.

10.2.10.8 Formal Alternative Observation Options (Non-probationary licensed employees with 3 consecutive years of an overall rating of Highly Effective)

- (A) Option A – A formal observation as described in 10.2.10.1, followed by a post-observation conference as described in 10.2.10.2.
- (B) Option B – A formal alternative observation where the non-probationary licensed employee will work collaboratively with their evaluator during their Professional Goals Meeting at the beginning of the year to determine which mutually agreed upon formal observation option they will select for their observation. The licensed employee and evaluator must select the observation option on or before the due date of the licensed employee's growth plan submission. The licensed employee will document their observation self-reflection goal and area of focus related to the 5D+ Rubric as their third goal in their growth plan. The teacher will select one dimension and sub-dimension of the rubric as the area of focus for their observation self-reflection.
- (C) The non-probationary licensed employee and evaluator will work collaboratively to determine which licensed staff member they would like to observe. The alternative observation may be completed by the

non-probationary employee during one of their planning periods for this model to be cost neutral. Classroom coverage options may be available upon discussion with the evaluator. The non-probationary licensed staff member may complete the classroom observation individually or with other licensed staff in a small group.

- (D) A post-observation conference is a required meeting between the licensed employee and the evaluator as described in 10.2.10.2. The licensed employee will complete the alternative formal observation and must be uploaded by the licensed employee as an artifact in the Teacher Observation 1 task in Talent-Ed Perform.

10.2.11 Formative Observations

- 10.2.11.1 A formative observation is a less-structured method of data collection which may be documented and used for teacher evaluation (i.e. walk-throughs, parent/teacher conferences, committee work with peers, etc.)
- 10.2.11.2 Frequent formative observations, followed by feedback to the licensed employee, are strongly encouraged. To align with the philosophy of finding evidence of effectiveness and to facilitate continuous improvement, evaluators shall collect and analyze data on multiple occasions to provide feedback and support to educators on a regular basis.

10.2.12 Summative Evaluation

- 10.2.12.1 After the required number of formal observations and conferences has been completed, every licensed employee shall receive a written summative evaluation report each year using the District evaluation form.
- 10.2.12.2 If the employee being evaluated disagrees with any of the conclusions or recommendations made in the evaluation report, they may attach/upload a written explanation or other relevant documentation they deem necessary.
- 10.2.12.3 The Summative Evaluation shall be electronically signed by the evaluator and licensed employee and retrained in the employee's personnel file. The appropriate Assistant Superintendent will also review the Summative Evaluations for licensed employees with "Ineffective" or "Partially Effective" final Summative Ratings or when requested by the licensed employee or evaluator.

10.2.13 Employment Status

10.2.13.1 A licensed employee is deemed to have non- probationary status if they meet one of the following conditions:

- has three consecutive years of effective or highly effective ratings (or “meets expectations” in previous years) as determined through their summative performance evaluations and continuous employment.
- had already earned non-probationary status prior to the 2013-14 school year and has not been rated as partially effective or ineffective for two consecutive years.

10.2.13.2 A licensed employee is deemed to have probationary status if they meet one of the following conditions:

- does not have three consecutive years of effective or highly effective ratings and continuous employment.
- is a non-probationary employee who has been rated as ineffective or partially effective for two consecutive years.

10.3 METHODS OF DATA COLLECTION

10.3.1 Multiple sources of input into the summative evaluation rating are required.

10.3.1.1 Sources may include formative observations, less- structured method of data collection such as learning walks and walk- throughs; parent/teacher conferences; committee work with peers and teams; discussions between evaluator and employee; input from students, parents, peers, colleagues, and other administrators; self-evaluation; and artifacts provided by the employee being evaluated. These sources shall only be used to corroborate the conclusions of the evaluator and when possible will be available for review by the licensed employee.

10.3.2 A minimum of one internal and one external source of input is required, but as many data sources as possible provide the most complete picture of a licensed employee’s performance.

10.3.3 At least one measure or data source, as determined by the evaluator, will include:

- Student perception measure (e.g. surveys)

Revised: 04/17

Revised: 03/20

- Peer feedback
- Feedback from parents or guardians
- Review of the teacher's lesson plans or student work samples

10.3.4 Since data collected from parents and students who are not trained or licensed evaluators, the use of student and parent feedback as it pertains to the performance of a licensed employee shall only be used to corroborate the conclusions of the evaluator.

10.3.5 Evaluators shall retain full responsibility and authority to evaluate licensed employees as specified in this Employee Agreement.

10.4 SUMMATIVE EVALUATION AND CONFERENCE

10.4.1 The summative evaluation shall be written using the District summative evaluation form. A summative evaluation conference between the licensed employee and their evaluator will be held to discuss the summative evaluation.

10.4.2 The summative evaluation document will include:

- feedback on performance areas
- performance data related to student academic growth and professional practice
- documentation of dates when formal observations were made
- documentation of data used in measuring performance
- identification of goal areas that indicate what improvements in performance, if any, are needed, and any recommendations for improvement
- commendations

10.4.3 The licensed employee has the opportunity to offer input into the final draft of the formal evaluation.

10.4.4 The evaluator is responsible for determining the licensed employee's level of effectiveness in each performance area and overall.

10.4.5 Performance ratings on sub-dimensions should validate the ratings in the performance areas and the overall evaluation rating.

10.4.6 Performance levels

10.4.6.1 Performance levels will be rated as one of the following using observation data and scoring it with the District rubric:

- Highly Effective
- Effective
- Partially Effective
- Ineffective

10.4.6.2 If a licensed employee's overall performance rating is effective or highly effective, the evaluator and employee shall agree upon goal areas for the following year based on sub-dimension ratings in the summative evaluation

document. The goal areas will be developed into a Professional Growth Plan by the teacher the following school year.

10.4.6.3 If a licensed employee's overall performance rating is partially effective or ineffective, the employee will receive written notice of the Performance Evaluation Rating and will participate in a process for improvement during the following academic year.

(A) In accordance with state law, this process shall provide documentation of data used in measuring performance, identification of deficiencies, and an opportunity to improve effectiveness through an improvement plan that links evaluation and performance standards to professional development opportunities.

(B) If the evaluation shows the licensed employee is not performing effectively for a second consecutive year, the employee shall receive written notice that the performance evaluation shows a rating of ineffective, a copy of the documentation relied upon in measuring the person's performance, and identification of deficiencies.

10.4.7 The employment status recommendation shall be made based upon the data collected throughout the evaluation process.

10.4.7.1 A licensed employee who is rated as ineffective or partially effective using a process that includes 30% student growth and 70% professional practice data for two consecutive years shall lose non- probationary status.

10.4.7.2 A non-probationary licensed employee who objects to a second consecutive Performance Evaluation Rating of partially effective or ineffective may appeal the rating following a formal appeals process.

10.5 NON-PROBATIONARY TEACHER REVIEW OF PERFORMANCE EVALUATION RATING OF INEFFECTIVE/PARTIALLY EFFECTIVE

10.5.1 Upon receiving a Performance Evaluation Rating of ineffective or partially effective an automatic review will take place to determine if:

10.5.1.1 The evaluator did not follow evaluation procedures that adhere to the requirements of statute and rule and that failure had a material impact on the Performance Evaluation Rating that was assigned; (e.g., an observation was never completed, or feedback was never shared with the teacher); and/or

10.5.1.2 The data relied upon was inaccurately attributed to the teacher (e.g., data included in the evaluation was from students for whom the teacher was not responsible; observation data used to establish professional practice ratings was incorrect; or District student assessment data was incorrect).

- 10.5.2 The review panel will consist of the following: Assistant Superintendent, the Senior Director of Human Resources; the Director of Curriculum; a building administrator; and a teacher. The teacher and principal will be invited to participate in the review panel process and may bring representation and may present evidence and artifacts. However, the teacher and principal shall have the right to refuse such invitations without prejudice.
- 10.5.3 If the review panel determines that either the evaluation process was not followed and/or the data relied upon was inaccurately attributed to the teacher, the teacher's Performance Evaluation Rating will be changed to reflect that determination.

10.6 NON-PROBATIONARY TEACHER APPEAL OF SECOND CONSECUTIVE PERFORMANCE EVALUATION RATING OF INEFFECTIVE/PARTIALLY EFFECTIVE

- 10.6.1 A non-probationary teacher is permitted only one appeal for the second consecutive Performance Evaluation Rating of ineffective or partially effective. If a non-probationary teacher wishes to file such an appeal, the employee shall have the burden to demonstrate that a rating of effective was appropriate. The teacher may provide any artifacts that would support their claims in the appeal.
- 10.6.2 The grounds for an appeal shall be limited to the following:
- 10.6.2.1 The evaluator did not follow evaluation procedures that adhere to the requirements of statute and rule and that failure had a material impact on the Performance Evaluation Rating that was assigned; (e.g., an observation was never completed, or feedback was never shared with the teacher); and/or
- 10.6.2.2 The data relied upon was inaccurately attributed to the teacher (e.g., data included in the evaluation was from students for whom the teacher was not responsible; observation data used to establish professional practice ratings was incorrect; or District student assessment data was incorrect).
- 10.6.3 Upon receipt of the second consecutive Performance Evaluation Rating of partially effective or ineffective the teacher shall have fifteen (15) calendar days to file the notice of appeal of their rating with the Senior Director of Human Resources. This time requirement may be waived by mutual agreement of both the teacher and the District.
- 10.6.4 A teacher filing a notice of appeal shall include all grounds for the appeal within a single written document. Any grounds not raised at the time of the written notice of appeal is filed shall be deemed waived.
- 10.6.5 At the time the teacher files the notice of appeal, the teacher will select one of the following appeals processes:

- 10.6.5.1 A review panel of teachers and administrators to review the appeal request and documentation with the purpose of making a recommendation to the Superintendent; or
- 10.6.5.2 Directly to the Superintendent
- 10.6.6 The Superintendent shall be the final decision-making authority in determining a teacher's Performance Evaluation Rating and whether a non-probationary teacher shall lose non-probationary status. The Superintendent shall provide a written rationale for their final determination.
- 10.6.7 Any documents and/or proceedings related to the appeal process shall be confidential.
- 10.6.8 Review Panel Appeal Process:
 - 10.6.8.1 The review panel shall serve in an advisory capacity to the Superintendent. The review panel shall provide the Superintendent with a recommendation based on the panel's findings at the conclusion of the review panel's appeal process. The Superintendent shall be the final decision-making authority in determining the teacher's Performance Evaluation Rating.
 - 10.6.8.2 The review panel shall be comprised of equal numbers of teachers and administrators, with no more than six panel members in total. PEA will appoint the teacher members of the review panel. The Superintendent or designee will appoint the administrators on the review panel. The review panel shall be comprised of members that were not directly involved in the evaluation process for the appealing teacher.
 - 10.6.8.3 All members of the review panel shall be selected and trained in a manner designed to ensure their credibility and expertise regarding the evaluation and appeal process.
 - 10.6.8.4 The appealing teacher shall be given the opportunity to address and provide evidence to the review panel in person and/or in writing. The review panel may invite the teacher and/or the individual conducting the teacher's evaluation to present in person and/or in writing where clarification is necessary, but the teacher and evaluator shall have the right to refuse such invitations without prejudice.
- 10.6.9 Appeal directly to the Superintendent or after the Superintendent receives a recommendation from the review panel:
 - 10.6.9.1 If the Superintendent determines that a rating of ineffective or partially effective was accurate, the teacher's Performance Evaluation Rating will remain, and the teacher will be subject to loss of non-probationary status.

- 10.6.9.2 If the Superintendent determines that a rating of ineffective or partially effective was not accurate, the teacher's Performance Evaluation Rating will be changed to reflect that determination.
- 10.6.9.3 If the Superintendent determines that a rating of ineffective or partially effective was not accurate but there is not sufficient information to assign a rating of effective, the teacher shall receive a "no score" and shall not lose non-probationary status. However, if in the following academic school year, the teacher receives a Performance Evaluation Rating of ineffective or partially effective, this rating shall have the consequence of a second consecutive ineffective rating.

The teacher will receive a written response from the Superintendent within 15 calendar days regarding the Superintendent's final decision in determining the teacher's Performance Evaluation Rating. This time requirement may be waived by mutual agreement of both the teacher and the Superintendent.

10.7 PROVISIONS FOR PARTIALLY EFFECTIVE OR INEFFECTIVE SUMMATIVE RATINGS: IMPROVEMENT PHASE

- 10.7.1 The improvement phase is designed to provide direct and immediate assistance to a non-probationary licensed employee whose overall performance rating on the evaluation is partially effective or ineffective.
- 10.7.2 The process will be coordinated and closely monitored by the District to ensure due process and opportunity for improvement.
- 10.7.3 No later than the tenth school day of the school year immediately following the rating of partially effective or ineffective, the evaluator and the licensed employee will collaboratively develop a written improvement plan which will be shared with and signed by the appropriate Assistant Superintendent.
- 10.7.4 If a second consecutive summative performance evaluation rating is partially effective or ineffective, the appropriate Assistant Superintendent will provide direct input into the plan.
- 10.7.5 Association representation shall be afforded at the licensed employee's request throughout the process. The licensed employee shall be advised of their right to such representation.
- 10.7.6 Components of the Improvement Plan shall include:
- Targeted areas for improvement
 - How improvement will be measured and monitored
 - Targeted and timely opportunities for resources and training
 - Access to professional development and resources including professionals with

background in a similar area

- An option to access effective or highly effective professionals for support
- A student learning objective when applicable
- Periodic review of progress
- A timeline for Improvement Plan completion

10.7.7 Outcomes of the Improvement Plan

- 10.7.7.1 If at the conclusion of the improvement plan, the licensed employee is performing effectively, no further action shall be taken concerning the original improvement plan. Successful completion of the improvement plan shall be documented in the summative evaluation, and the employee shall return to the standard performance evaluation process.
- 10.7.7.2 If at the conclusion of the improvement plan the licensed employee is not performing effectively, a subsequent improvement plan will be created to address continued areas for improvement.
- 10.7.7.3 A licensed employee who is rated as ineffective or partially effective using a process that includes 50% student growth and 50% professional practice data for two consecutive years shall lose non-probationary status.
- 10.7.7.4 A non-probationary licensed employee who objects to a second consecutive Performance Evaluation Rating of partially effective or ineffective may appeal the rating following a formal appeals process.

10.8 GENERAL PROVISIONS

- 10.8.1 In accordance with state law, the District shall establish a performance evaluation system which serves as a basis for the improvement of instruction, enhance the implementation of curricular programs, and measure professional growth, development, and level of performance of licensed personnel.
- The evaluation system also shall serve as the measurement of effective performance, ensure that licensed personnel receive adequate feedback and professional development support to improve their effectiveness, and provide documentation for dismissal for ineffective performance.
- 10.8.2 The District shall conduct all evaluations so as to observe the legal and constitutional rights of licensed personnel.
- 10.8.3 No minor deviation in the evaluation procedures by either party shall invalidate the process or the evaluation report.

- 10.8.4 The District shall take steps to ensure that conditions related to evaluations meet the purpose and beliefs.
- 10.8.5 The content of the evaluation, the ratings given, and any improvement or development plan shall not be grievable under the District's formal grievance process.
- 10.8.6 Nothing in this policy shall be construed to imply in any manner the establishment of any property rights or expectancy or entitlement to continued employment not explicitly established by statute, Board policy, or contract. This policy and/or the evaluation system will not be deemed or construed to establish any conditions prerequisite relative to renewal of contracts, transfer, assignment, dismissal, or other employment decisions relating to school personnel except as outlined in Colorado state law.
- 10.8.7 All employment decisions remain with the sole and continuing discretion of the Board of Education, subject only to the conditions and limitations prescribed by Colorado law.

ARTICLE 11 – TEACHING CONDITIONS

Schools in the District are on differing bell schedules for a variety of reasons; therefore, defining a consistent 40-hour workweek for all certified staff is challenging. Salaried employees cannot be paid overtime; therefore, sites should use the following parameters for use of time outside the bell schedule.

11.1 PROFESSIONAL RESPONSIBILITIES

Licensed staff members are expected to complete the duties of their job in a professional manner.

Unless otherwise determined at the site, the school day begins ½ hour before and ends a ½ hour after the school bell schedule. Time outside the bell schedule shall be determined at each site, in a shared decision-making process to determine the structure of the workday and work week and devise a plan for scheduling of meetings and trainings to support District and building goals. Site's shared decision-making process shall be developed cooperatively and shared with all staff members. Site teams shall work to maintain balance between individual and collaborative time. Other professional responsibilities include:

- Building-wide meetings
- Department, team, and grade level meetings
- Supervisory duties
- Evaluation conferences
- Parent communications
- State required student support meetings (IEP, 504, ALP, MTSS, EL, READ, etc.)

11.1.1 STAFF MEETINGS: Building administrators may hold staff meetings not to exceed a total of 120 minutes in duration per month. An effort should be made to share the agenda in advance. Special meetings may be called by the principal to address specific and unusual circumstances.

- All affected staff members will participate.
- If other meetings or committees need to meet outside the allowed staff meeting time, sites should refer to the Extra Duty Pay Schedule for compensation.
- When creating meeting schedules, sites should consider avoiding meetings during weeks with additional site commitments. (Ex. Conferences, Back to School Nights, etc.)
- A site, using their shared decision-making process may mutually agree to modify the frequency or duration of staff meetings.
- Use of time and schedule of meetings should be reviewed by the site's shared leadership team on an annual basis for effectiveness and necessity.

11.2 DESIGNATION OF DAYS

As a provision for clarification of teachers' assigned responsibility and opportunities, the following lists negotiated days which shall be designated for each year calendar.

11.2.1 Definitions:

- 11.2.1.1 **TEACHER WORK TIME:** This time is reserved for teacher use within the building; not available for administrative meetings or assignments; designated teacher work time requires teachers to be present at the building in the same time frame and subject to the same leave policies as would apply to a regular teaching day.
- 11.2.1.2 **EXCHANGE DAYS:** Site staff are expected to hold parent-teacher conferences and participate in certain events that occur outside the regular workday. Exchange days are provided for conferences, back-to-school-nights, open houses and/or other school related events. To earn one exchange day, a staff member must work the equivalent of a full school day as defined in 11.1 as 1/2 hour before and 1/2 hour after the school bell schedule. This time will vary based on the bell schedule of the school at which the staff member works. Subject to the same leave policies as would apply to a regular teaching day.
- 11.2.1.3 **TRANSITION DAYS:** These days are provided to ease transition for students between school levels (5th to 6th grade, 8th to 9th grade). Teachers not participating in transition activities or support for these students have on-site teacher work time. The only students in attendance on these days are typically 6th and 9th graders, but kindergartners would also fit the use of transition days. Subject to the same leave policies as would apply to a regular teaching day.
- 11.2.1.4 **BUILDING TIME:** Building time is provided for building staff to work together to address building and District goals. This time is typically directed by the principal or building leadership team. Subject to the same leave policies as would apply to a regular teaching day.
- 11.2.1.5 **BUILDING/WORKDAYS:** Building/Workdays (B/W) exist evenly in the calendar across the school year in order to allow for the work of the building and of individual teachers to get accomplished. These non-student contact days are designed to be split evenly between Building Time and Teacher Work Time. Subject to the same leave policies as would apply to a regular teaching day. An attempt will be made by the Calendar Committee to avoid that B/W (Building Work) days do not replace and Early Childhood (EC) teacher plan day.
- 11.2.1.6 **DISTRICT PROFESSIONAL LEARNING DAYS:** District Professional Learning Days (D) are placed in the calendar to support paid professional development of staff. Dates for professional learning days may vary based on curricular adoption schedules and demands, as well as District priorities and goals.

11.2.1.7 **CONSITUTION OF THE CALENDAR:** The Calendar will have two (2) District professional learning days, five (5) B/W days, two (2) Workdays, two (2) K-12 Exchange Days (one (1) each semester), one (1) additional Elementary only Exchange Day (in the fall), one (1) Transition Day. The Calendar will have 175 elementary student-contact days and 176 secondary student-contact days.

11.2.1.8 **FLOATING WORKDAY:** One full substitute day, which may be split into half days, will be available for each teacher as a floating workday. The date shall be determined at least five (5) school days in advance in consultation with their administrator and shall be used at the discretion of the teacher to relieve workload issues. The administrator shall consult with the teacher to determine another possible date if there is a conflict. Work may occur at any District location after consultation with their administrator. Part-time teachers will receive a partial day based upon their assignment.

- This day shall not be used on District designated variance days.
- This day shall not be used on designated building/workdays.
- This day shall be rescheduled if the absence places a specific undue burden on the site.
- This day, if broken into half days, is limited to one per month.
- This day, if broken into half days, shall not be used on consecutive workdays.
- The conditions of 11.2.8 shall be modified upon mutual agreement of the administrator and the teacher.

11.2.1.9 **LITERACY TESTING:** Each K-3 teacher who administers literacy assessments or kindergarten school readiness assessments will have up to three days of substitutes available to complete required literacy assessments. Schools with seven identified students on READ Plans reading below grade level in fourth and fifth grade will receive one day of substitute coverage. Schools with more or less than seven students receive substitute coverage on a pro-rated ratio of seven to one.

Early Childhood: Each Early Childhood teacher who administers assessments will have up to two (2) days per year of substitutes available to complete data collection, report submission, mandatory and other assessments, data entry, or related tasks. These days need to be taken on-site.

11.2.1.10 **EARLY CHILDHOOD FAMILY MENTOR COLLABORATION DAYS:** The Head Start program requires Family Mentors. Early Childhood teachers and mentors collaborate to work with families about their goals and needs. Each Early Childhood teacher is given either one half day or full day (1-9 HS students will receive a half day, and 10+ will receive a full day) each semester, to meet with their mentor about children on their caseload.

11.2.1.11 **VECTOR TRAININGS:** Licensed employees will be given time at the start of the school year to complete mandatory Vector trainings, as listed on the Human Resources website, during their contracted workday. This time may be scheduled during the Fall Professional Learning days, in accordance with the timelines set by Human Resources. The duration of these required trainings may fluctuate annually.

11.3 **CONTRACT LENGTH FOR LICENSED STAFF**

- 11.3.1 The contract length for first year probationary teachers (P-1s) will be extended by three (3) days during their first year. The additional days are necessary to address District orientation and the required state induction program for probationary staff. The probationary teachers will be paid the staff development rate for these additional days that they work.
- 11.3.2 The contract length for second- and third-year probationary teachers (P-2 and P-3’s) and all non-probationary teachers is negotiated annually.

11.4 TEACHER PREPARATION TIME

The school daytime of licensed personnel will be divided among instruction, student supervision, planning, and lunch. The teacher's instructional and supervision/duty time shall be scheduled by the principal or designee, and instructional leaders. The time that is not instructional, supervision/duty, or lunch shall be considered professional planning time for use by the teacher at their discretion. Teachers working with their teams, must have ample time to prepare lessons for their students. Meetings scheduled during a teachers' plan time shall be at the discretion of the teacher and/or the team.

11.5 ELEMENTARY PREPARATION TIME

In recognition of the need for adequate planning for all 60%+ teachers, continued emphasis shall be placed on developing weekly schedules which allow each elementary teacher approximately 225 minutes per week for planning purposes (100% contract=225 minutes for planning for 60%-99% contracts, planning time is prorated based on % of contract). Efforts will be made wherever possible to distribute this planning time to allow for an average of 45 minutes each day, exclusive of lunch, for planning. It is understood that in some buildings it may not be possible to schedule this time each and every day, but building principals are encouraged to make every attempt to reach that objective.

11.5.1 Each 100% contracted elementary teacher shall be guaranteed a minimum of 225 minutes of preparation/planning time per week (100% contract = 225 minutes for planning, for 60%-99% contracts, planning time is prorated based on percent of contract). Further, every effort will be made to give each teacher planning time every day. Calculation of the 225 minutes planning time is not to include before school nor the 30 minutes per day of uninterrupted lunchtime. No time period of less than 25 continuous minutes shall be counted as part of the 225 minutes total, except for 15-minute segments attached to the 30-minute uninterrupted lunchtime.

If there are schools which are unable to comply with the requirement of 25-minute minimum blocks of time, the school principal shall present a case for a waiver from this requirement to the appropriate Assistant Superintendent and PEA President.

11.5.2 Elementary teachers shall not be regularly assigned to supervision of students during the lunch hour, except and unless such assigned supervision does not interfere with access by the teacher to the 225 minutes of preparation time per week. Such supervision during lunch shall be assigned only due to a paraprofessional absence extending beyond one day. A substitute paraprofessional shall be hired to fill the supervisory role if at all possible.

11.5.3 This elementary planning time agreement is a permanent procedure, but subject to minor adjustments as needed by agreement of the appropriate Assistant Superintendent and the

- 11.5.4 Elementary schools will have two (2) additional Teacher Work Time days added to the PSD/EC calendars. All efforts will be made to put one day in each semester. These days are to be used as Teacher Work Time as defined in the Employee Agreement 11.2.1.

11.14 ACADEMIC FREEDOM AND CONTROVERSIAL ISSUES

- 11.14.1 The Board and PEA recognize that the right of academic freedom is subject to the United States and Colorado Constitutions and interpretive case law, and that under Colo. Const. Art. IX, § 15, the Board is vested with control of instruction in the District. Within these parameters, academic freedom also carries with it academic responsibility which is determined by the basic ideals, goals, and institutions of the community. Discussion and analysis of controversial issues must be conducted within the framework of the fundamental values of the community and the policies, educational philosophy, objectives, and curriculum of the District.
- 11.14.2 Within the preceding frame of reference and as it pertains to the approved program of studies, academic freedom in the schools is defined as the right:

- To teach and learn about controversial issues;
 - To use materials which are relevant to the levels of ability and maturity of the students and to the purpose of the school system;
 - To maintain a classroom environment which is conducive to the free exchange and examination of ideas;
 - Of students to hold divergent ideas as long as the expression of their dissent is done within the guidelines of debate and discussion which are generally accepted by teachers in a normal classroom environment; and
 - Of teachers to a free expression of conscience as private citizens with the correlative responsibility of a professional presentation of balanced views relating to controversial issues as they are studied in the classroom.
- 11.14.3 Good teaching embodies the art of keeping students on the right track in the search for truth, seeing that they know admitted facts and a variety of opinions, and establishing the habits of logical thinking and opinion formation. Controversial issues may be presented in classes where they are relevant to the program of studies and are presented in a manner as free from bias and prejudice as possible. With these points in mind, the following policy provisions are established:
- 11.14.4 Controversial issues arise from conflicts with the interests, beliefs, or affiliations of citizens. Such issues involve important proposals or policies concerning which citizens hold different points of view. Most of the school curriculum is composed of established truths and accepted values. Free discussion of controversial issues is the heart of the democratic process. Freedom of speech and free access to information are among our most cherished traditions. Only through the study of such issues, political, economic, or social, does youth develop abilities needed for citizenship in our democracy.
- 11.14.5 Without minimizing the importance of established truths and values, the District shall foster dispassionate, scientific studies of controversial issues in an atmosphere as free as possible from bias and prejudice.
- 11.14.6 The teacher shall strive to serve as an impartial moderator and shall not attempt, either directly or indirectly, to limit or control the judgment of his other pupils on controversial issues. The teacher shall foster the study of such issues rather than teach a particular viewpoint in regard to them.
- 11.14.6.1 The pupil shall have the right to study an issue in accordance with their maturity and shall have the right of free access to all relevant materials. The pupil shall have the right to study under competent instruction in an atmosphere free from partisanship to express their own opinions on controversial issues without jeopardizing their relationship with their teachers or the school.

- 11.14.7 The rights of students, parents, and teachers shall be respected. If complaints arise regarding educational materials, subject matter, or methodology, they shall be handled by a fair and orderly process within a reasonable period of time. District personnel or the Board of Education, individually or collectively, who receive complaints shall not give formal consideration to said complaints until they have been addressed in the following manner:
- A. If the complaint is lodged directly with the teacher, an immediate dialogue between the teacher and the complainant is encouraged, with the hope that the concern may be resolved at that level with no further action necessary.
- 11.14.8 If the complaint is lodged with other than the teacher or an administrator, the matter shall be immediately referred to the teacher and the building principal.
- 11.14.9 The first effort of a principal or other administrator in dealing with a complaint shall be to allow the teacher involved to seek resolution of the concern, with or without the involvement of the principal as circumstances may indicate.
- 11.14.10 If attempts at informal resolution of the complaint are unsuccessful, the complainant shall file a formal written complaint with the District after which a hearing shall be held involving the complainant, the teacher, the principal or other administrator, and other appropriate parties. Every reasonable effort shall be made to settle the matter at this level.
- 11.14.11 If further consideration is necessary, the complaint shall be referred to the appropriate District administrator and a decision shall be made as to whether or not temporary restrictions shall be placed on the use of the materials, subject matter, or methodology pending resolution of the concern.
- 11.14.12 The appropriate District administrator shall select and chair a committee including appropriate representation of teachers, administrators, media specialists, and parents or other citizens. The committee shall hear all parties involved in the complaint and render to the complainant its decision in writing within ten school days following the hearing.
- The complainant shall be informed that any further consideration of the matter shall require arrangement with the Superintendent for a hearing by the Board of Education at which all parties involved shall be heard along with the complainant. The decision of the Board shall be final and shall be rendered no later than the time of its next regularly scheduled meeting.

- 11.14.14 Textbooks or supplementary text materials previously approved by the Board of Education shall not be included in these procedures but shall be referred to the appropriate Instructional Improvement Committee which shall make recommendations through the Action Review Committee to the Board of Education concerning their continued use.

11.15 Staff Safety and Behaviors in the Workplace

- 11.15.1 The parties to the agreement collectively value staff safety and a respectful environment. The District recognizes its responsibility to maintain a safe and inclusive environment for students, staff, and the community. Staff recognize they have a responsibility to maintain an orderly, safe environment (such as in hallways, lunchrooms, buses, playgrounds, classrooms, etc.) that is conducive to learning and supportive of the educational goals of the District.
- 11.15.2 District policy exists to support staff while managing student behaviors and discipline and to inform students of their rights and responsibilities for behavior at school. District policies that address student discipline include policies JK (Student Discipline), JKA (Physical Intervention, Restraint, Seclusion and Time-Out), JKB (Detention of Students), JKBA (Disciplinary Removal from Classroom), and JKC (Discipline of Habitually Disruptive Students). School procedures exist in staff and student handbooks at school sites.
- 11.15.3 The District will make training available for staff in de-escalation techniques, such as Crisis Prevention Intervention (CPI), restorative practices, and trauma informed training to avoid and prevent the use of force against students and protect the safety of staff.
- 11.15.4 In order to maintain a safe and inclusive environment, supervisors are expected to take action after staff report student discipline incidents that impact staff safety. Supervisors will report the disposition of the incident to the staff member.
- 11.15.5 If a parent or guardian engages with staff in a manner that includes intimidation, threats, or violent acts, the staff member may discontinue the conversation. Such interaction shall be reported to the staff member's supervisor. Supervisors are expected to take action to maintain a safe and inclusive environment. Harassment of staff should be reported and investigated pursuant to District policy GBAA (Harassment of Employees).
- 11.15.6 Instances of physical and/or verbal threats, or assault upon staff, or damage to personal property, should be reported to the staff member's supervisor in accordance with District policy GBG (Violence in the Workplace) and/or GBGB (Staff Personal Security and Safety).

- 11.15.7 A staff member who is assaulted may file a complaint with the appropriate law enforcement agency against the offender. The administrator shall make all reports required by state law. In addition, any staff member who is assaulted may file a Workers' Compensation report of injury with the District by using the instructions provided on the District's Workers' Compensation webpage.
- 11.15.8 Nothing in this Agreement is intended to restrict staff ability to file criminal charges as permitted under Colorado law.

11.16 Class Size/Caseload

Employee Groups, the Superintendent's Cabinet, and the Board of Education recognize that maximum attention to the students is desirable to ensure the high quality of education that is the goal of the District.

- 11.16.1 At any time during the school year, an educator may refer concern(s) about class size or case load to the building principal and appropriate supervisor (in the case of Integrated Services staff), who will apply the site-based decision-making model. The educator shall also document the concern with the Association representative(s) using a district-approved form provided by the Employee Association. A copy of this completed form will be provided to the building principal and appropriate supervisor. For tracking purposes, any documented concerns will be shared with Issues Resolution (IR) at least quarterly during the school year.
- 11.16.2 By the end of the first week of each individual school year, the Association shall distribute to all educators a letter delineating a process educators may follow when they have concerns in regard to class size or case load.

13.14 EXTENDED LEAVES (UNPAID)

- 13.14.1 An employee who has completed four consecutive years of service from employment or re-employment in any position (excluding substitute or temporary positions) or since the last extended leave may apply for an extended leave without pay to serve as an exchange or international teacher; to return to school as a student; or for restoration of the health of the employee. Poudre School District exchange teachers will be paid by and receive retirement and insurance benefits from this district. Incoming exchange teachers working in this district will receive pay, retirement, and insurance benefits from their home districts. A teacher remains a continuing employee of the district which authorizes the exchange and is treated as if performing services within that same home district. Retired employees are not eligible for extended leaves. Extended leaves for the purpose of obtaining alternative gainful employment will not be approved. Extended leave requests that do not fall within any of the above situations must be approved by the Senior Director of Human Resources or designee prior to submitting an application request. The extended leave must be requested for an absence extending beyond 15 working days.
- 13.14.2 Accrued leave time may not be used during an extended leave of absence except that 260-day employees must use all accrued vacation time at the beginning of their leave of absence, which will run concurrently with the extended leave of absence.
- 13.14.3 An employee requesting an extended leave must submit a request using the online system 30 days in advance or by the deadlines indicated by Human Resources for the following school year. Upon receipt, Human Resources will contact the immediate supervisor who will indicate support or nonsupport of the leave request.
- 13.14.4 Classified requests will be approved or denied by Senior Director of Human Resources or designee.
- 13.14.5 The Senior Director of Human Resources or designee will make recommendations to the Superintendent in regard to licensed teacher, administrator or professional leave requests. Leaves for licensed teacher, administrator or professional positions will require approval by the Board of Education.
- 13.14.6 Following approval of an extended leave, a leave agreement between the employee and the District will be generated. An employee on an extended leave must notify Human Resources in writing as to their intent to return or resign from the District by the date prescribed in the written leave agreement.
- 13.14.7 Any extended leave of absence must not extend beyond one complete school year, following a partial school year, and 260-day employees may not be on an extended leave longer than 12 months. An extension of a one-year extended leave may be granted for a District approved partnership only.
- 13.14.8 An extended leave may not be granted, when combined with other leaves of absence, if the leave would exceed one complete school year following a partial school year. A 260-day employee may not combine an extended leave with other leaves of absence to extend beyond 24 months. An extended leave cannot be combined with a sabbatical or student teacher leave of absence.
- 13.14.9 When an employee on an extended leave returns to duty, they shall return to their prior assignment or a comparable position. When an employee completes their extended leave, they shall return to their prior assignment or a comparable position, unless staffing

fluctuations or reductions apply per Articles 14, 15, and 17.

- 13.14.10 While on an extended leave, the employee retains salary position, unused accrued leave time, and employment status earned prior to the extended leave.

13.15 SABBATICAL LEAVE OF ABSENCE -LICENSED TEACHING STAFF- Indefinitely **Suspended**

The Board of Education intends that Sabbatical Leave be granted as a means by which teachers may improve their skills and abilities as professional educators and thus benefit the District. Retired employees are not eligible for a sabbatical leave of absence. Sabbatical Leaves are different from other leaves of absence in that they may be granted with pay and continued health and dental coverage paid by the District for the employee, and therefore are more selective, with more specific requirements. Availability and amount of compensation, which will be offered in the following fiscal year, may be determined during the negotiations process.

- 13.15.1 Sabbatical Leave may be granted for the following purposes:

- 13.15.1.1 A planned program of courses, taken at any accredited institution, which relates to the professional growth of the applicant and for which there is no equivalent program available locally during non-working hours.
 - 13.15.1.2 A specific plan for independent study or research, supporting the professional growth of the applicant and/or needs of the District.

- 13.15.2 Sabbatical Leaves may be granted for one year, one semester or a nine- week period of time. The Sabbatical Leave Plan must be substantial enough to justify the length of the leave.

- 13.15.3 The Sabbatical Leave Committee shall be a sub-committee of the PEA Staff Development Committee, to include representation from elementary, middle and senior high, and the Chief Human Resources Officer, or designee. The Human Resource representative will serve as the coordinator and facilitator and will be a non-voting member. The District's Benefit Manager will also sit on the committee as a non-voting member. The President of the Poudre Education Association will serve as a resource and non-voting member of the committee. In addition, the Sabbatical Leave Committee may invite other District staff as resources in reviewing applications. These invitees will not have a vote. The Sabbatical Leave Committee will meet to review all applications for Sabbatical Leave and make appropriate recommendations to the Chief Human Resources Officer.

- 13.15.4 Taking into consideration the recommendations of the Sabbatical Leave Committee as well as other factors, the Superintendent shall make recommendations to the Board of Education. Final selection will be made by the Board of Education.

- 13.15.5 The total number of Licensed Sabbatical Leaves granted per contract year shall not exceed one percent of teacher FTE's. Refer to Personnel Procedures for calculation of number of leaves available.

- 13.15.6 Sabbatical Leave may be granted to an employee who has completed at least five full years of licensed service to the District since initial employment, or since the last

Sabbatical Leave.

- 13.15.7 Compensation during the Sabbatical Leave would be of the shared-cost type. Compensation represents a difference in cost between the current year base salary and benefits earned by the teacher requesting Sabbatical Leave for the next year and the average new teacher salary and benefits for the current year. Teachers granted shared-cost Sabbatical Leaves may be eligible to receive fully paid health and dental benefits based upon eligibility prior to taking the leave.
- 13.15.8 Requesting a second consecutive year of Sabbatical Leave is permissible and will be considered. Consideration of all second year requests will be done only after first year requests have been considered and approved. Approval of a second year is not automatic, but based on merits of each request for extension and the needs of the site. The approval of any second year Sabbatical Leave is not a precedent for future requests.
- 13.15.9 The Sabbatical Leave salary for teachers less than 100% contract shall be prorated based on the part-time salary of the teacher.
- 13.15.10 Teachers on Sabbatical Leave may augment their Sabbatical Leave salary with aids, fellowships, scholarships, or other stipends.
- 13.15.11 The teacher shall not deviate from the approved program except with the written permission of the Superintendent.
- 13.15.12 An interruption of Sabbatical Leave because of serious accident or illness will not be considered a failure to fulfill the conditions upon which the Sabbatical Leave was granted, nor will such interruption affect the amount of compensation to be paid the teacher under the terms of the Leave Agreement, provided the Chief Human Resources Officer has been promptly notified of such accident or illness.
- 13.15.13 The teacher who is on Sabbatical Leave will have the same rights to a comparable position held before taking the Sabbatical Leave. Salary position, leave time unused prior to the Sabbatical Leave year and contract status earned prior to the leave of absence will be retained and the teacher will receive experience credit for the period of the leave of absence. The teacher will not earn leave time during the Sabbatical Leave period.
- 13.15.14 Applications for Sabbatical Leave shall be filed with the Chief Human Resources Officer not later than March 15 to become effective during the following school year. Applications for Sabbatical Leave beginning with the second semester of the school year will be reviewed for approval if received by September 15 provided the total one (1) percent allocation has not been fully used. These deadlines may be extended at the discretion of the Chief Human Resources Officer.

If the Sabbatical Leave is for a planned program of courses, the application should be accompanied by specific program information from the college or university where the employee will be enrolled. Otherwise, the application should contain detailed plans giving all specifics that would aid in evaluating the application, full explanation of how independent study or research will improve the licensed employee and the District, and any other pertinent information.

- 13.15.15 The teacher will be required to provide a product to the District. The substance of the final product should be in line with the length of the requested Sabbatical Leave. The teacher

will be required to submit the product to the District's Benefits Manager within 120 days of completion of the Sabbatical Leave. If applicable, the product will be forwarded to the appropriate department or site within the District. Teachers in a planned course of study will need to submit official transcripts for the period of the leave as the final product.

- 13.15.16 The teacher may return to any paid position with the District equivalent to the same or more contract percentage of the assignment prior to the leave.
- 13.15.17 Prior to granting of such leave, a teacher shall enter into written agreement with the Board that upon termination of such leave, the teacher will return for a period equal to the length of the leave. Termination of this period may be rendered at an earlier date as mutually acceptable to the teacher and the Board, or for reasons of health, disability, or death. The teacher shall sign appropriate documents to ensure repayment to the District the full salary and benefits paid during the Sabbatical Leave in the event the teacher fails to complete the aforementioned return obligation following such leave or fails to complete the approved program.
- 13.15.18 A Sabbatical Leave cannot be combined with an extended leave of absence.
Refer to the Administrative Regulations for details of the procedure for use of Sabbatical Leave

13.16 CLASSIFIED STUDENT TEACHER LEAVE (UNPAID)

- 13.16.1 A classified employee who has completed 12 months of continuous service from employment or re-employment in any position (excluding substitute or temporary positions) may apply for a student teacher leave without pay or benefits to complete student teaching requirements to earn their teaching credential. Retired employees are not eligible for a classified student teacher leave. The student teacher leave must be requested for an absence extending beyond 15 working days.
- 13.16.2 Accrued leave time may not be used during a student teacher leave of absence except that 260-day employees must use all accrued vacation time at the beginning of their leave of absence, which will run concurrently with the student teacher leave of absence.
- 13.16.3 A classified employee requesting a student teacher leave must submit a written request on an Application for Leave of Absence form no later than March 15 to become effective during the following school year or at least 120 days before the commencement of the leave of absence. The application should be accompanied by specific program information from the college or university. The request should be submitted to the immediate supervisor. The supervisor shall indicate support or non-support, and the request will be forwarded to Human Resources.

- 13.16.4 Requests will be approved or denied by the Senior Director of Human Resources or designee.
- 13.16.5 Following approval of a student teacher leave, a leave agreement between the employee and the District will be generated. An employee on a student teacher leave must notify Human Resources in writing as to their intent to return or resign from the District by the date prescribed in the written leave agreement.
- 13.16.6 Any student teacher leave of absence must not extend beyond one full semester. An extension of a one-semester student teacher leave may be granted based on the student teaching requirements of the college or university.
- 13.16.7 A student teacher leave cannot be combined with an extended leave of absence.
- 13.16.8 Employees subject to Article 15.1 who do not have six or more consecutive years of service in a position which is subject to building staffing, are not protected from job loss or a reduced job assignment due to fluctuations or reductions.

ARTICLE 14 – REDUCTION IN FORCE (RIF) PROCEDURES

14.1 REDUCTION IN FORCE—LICENSED

- 14.1.1 When cancellation of employment is necessary, the following criteria (in descending order) will be used to determine the order in which reductions in force will take place:
- 14.1.1.1 Number of years of effective service is the total number of years served in a licensed teacher position for the District in which the employee was deemed to be performing at a level greater than unsatisfactory (prior to the 2013-14 school year) and effective or highly effective (beginning with the 2013-14 school year) through the final evaluation process used to determine performance levels at the time of the evaluation. The process must involve evaluation of the teacher's effectiveness related to classroom instruction, with at least 50% of that evaluation determined by the academic growth of the teacher's students.
 - 14.1.1.2 The reduction in force will first cancel employment contracts of teachers who have had no years of effective service and then those with effective service, starting with those teachers with the fewest number of years of effective service and ending with those teachers with the greatest number of years of effective service.
 - 14.1.1.3 Further reductions in force shall proceed based upon seniority.
 - 14.1.1.4 Seniority lists shall be developed based upon the first date of work under contract as a teacher in the District.
 - 14.1.1.5 In the event of a tie based upon two people who began work on the same date, the administration shall proceed down the following list until the tie is broken:
 - (A) Total number of days of contracted employment minus days of unpaid leave of absence.
 - (B) Days of contracted employment plus days of previous employment in the District while not under contract in a licensed position.
 - (C) Days of contracted employment plus days of previous employment in the District while not under contract and not in a licensed position.
 - (D) Longevity in the program which is undergoing program change.
 - 14.1.1.6 The seniority list shall include each endorsement area for each person on the list.
 - 14.1.1.7 It is the responsibility of each teacher to notify Human Resources of all endorsement areas by providing complete and up-to-date copies of all licenses indicating endorsement areas.

- 14.1.1.8 When a statement regarding reduction in force is made by the Board of Education in accordance with this policy, seniority lists shall be generated in the areas and to the depth of seniority necessary, and those lists shall be made available upon request to the Poudre Education Association and to teachers of the District.
- 14.1.1.9 Any teacher who wishes to appeal placement on the seniority list may do so through appeal to the licensed RIF committee. If placement on the list results in cancellation of employment, the teacher being RIFed can appeal to the Board of Education as hereafter set out.
- 14.1.1.10 When a teacher in a program area in which a reduction in force is to occur is identified as the least senior teacher in that program area, that teacher shall be transferred into another position for which they are qualified, provided that there is a teacher with less seniority in that other endorsement area. That replaced teacher shall be identified for cancellation of employment except that they shall have the same rights as defined in this policy to be reassigned in another area of endorsement.
- 14.1.1.11 When RIF results in the involuntary placement of a non- probationary teacher, that teacher may apply for a voluntary transfer according to District transfer procedures.
- 14.1.2 The Superintendent shall make the final recommendation to the Board of Education to cancel the employment contract of any non- probationary teacher.
- 14.1.3 If the cancellation of employment is to be effective with the start of any given school year, any teacher whose employment will be canceled shall receive notice of that cancellation by June 1 prior to the start of that school year. If cancellation of employment is necessary during any school year, notice of the cancellation shall be received by any teacher so affected sixty (60) days prior to the effective date of that cancellation.
- 14.1.4 Human Resources shall provide a letter of reference for any RIFed teacher clearly stating that the teacher's employment contract was cancelled due to a RIF situation resulting from a fiscal exigency or program change, as applicable.
- 14.1.5 The District may experience a need for reduction in the number of licensed staff members by reason of fiscal exigency or program change. The provisions of this policy have been developed in order to guarantee equitable treatment for employees and the least possible negative impact upon the educational program.

14.1.6 Definitions:

- 14.1.6.1 **TEACHER** means any person who is regularly licensed by the teacher licensing authority for the State of Colorado, and who is employed to instruct, direct, or supervise the instructional program, except those persons holding letters of authorization and the chief administrative officer of this school district.
- 14.1.6.2 **QUALIFIED** means holding a current valid Colorado license for specific level(s) and specific endorsement area(s). Approval by the North Central Association shall not equate to being qualified for the purpose of this policy.
- 14.1.6.3 **CANCELLATION OF EMPLOYMENT** means the termination of employment of a teacher. Cancellation of employment may be caused by fiscal exigency or program change.
- 14.1.6.4 **FISCAL EXIGENCY** means a significant decline in the Board of Education's ability to fund the operations of the District, resulting from the decline in enrollment or other actions or events that cause an effective reduction in the District's current general fund budget.
- 14.1.6.5 **PROGRAM CHANGE** means any elimination, curtailment, or reorganization of curriculum, program, or school operation, or a reorganization or consolidation of two or more individual schools. A program change need not be caused by fiscal exigency.
- 14.1.6.6 **OVERAGE** means a staffing unit in excess of the designated building, program, or District staffing allocation.
- 14.1.6.7 **DAYS** means equivalent school workdays.

- 14.1.7 No non-probationary teacher shall be RIFed under this policy until the contracts for all probationary teachers qualified in the same area(s) have been non-renewed and until all less senior non- probationary teachers qualified in the same area(s) have been RIFed. A change in the District which causes licensed staff members to be moved from administrative positions to teaching positions could result in the cancellation of employment of teachers with less seniority who are qualified in the same area(s).

14.1.8 Prior to any decision regarding the cancellation of specific teacher contracts to implement a RIF, the Board of Education shall conduct one or more hearings as it deems necessary and, based thereon, shall adopt a resolution containing its legislative determination regarding: (1) the existence of a fiscal exigency and/or the size, nature and rationale for program deletion or other change; (2) the nature, amount and timing of the budget reduction concerning teacher employment required by the fiscal exigency and/or the program deletion or change; and (3) any related information it deems necessary or advisable to appropriately address the fiscal emergency and/or program change through a teacher RIF. The Board's resolution shall be transmitted to the Superintendent, Poudre Education Association President, and each site or department the Board reasonably anticipates may be affected by the corresponding RIF.

14.1.8.1 Upon receipt of such resolution from the Board of Education, the Superintendent shall convene a joint Poudre Education Association and administrative Reduction in Force Committee. This committee shall consist of three administrators appointed by the Superintendent and three teachers appointed by the Poudre Education Association. The RIF committee shall study the situation at hand and recommend to the Superintendent the number and areas in which staffing units could be RIFed and the rationale behind this reduction, consistent with the Board resolution and with due consideration given to the teachers' effectiveness related to classroom instruction and to administrative determinations regarding the best interest of the District's students and the District's remaining programs.

14.1.8.2 The final decision regarding the staffing reduction needed shall be made by the Superintendent.

14.1.8.3 Any RIF shall occur to the exact number and percentage required.

14.1.9 Appeal Procedures

Review of individual cancellations of employment shall be conducted in the following manner:

14.1.9.1 Within ten (10) days after receiving a notice of cancellation of employment, a teacher may request a review of the action by the Board of Education. The Board of Education may delegate the responsibility for conducting a hearing to an impartial hearing officer selected by the Board. When appropriate, more than one case can be heard at the same time. Review shall be made solely to determine if the cancellation of employment was made in accordance with District policy.

- 14.1.9.2 The request for review must be in writing and addressed to the president of the Board of Education. It must specify the grounds on which it is contended that the decision was improper under this policy and must include a statement of facts that the employee believes supports the contention.
- 14.1.9.3 Submission of such a request constitutes a representation on the part of the teacher that they can support the contention by proof.
- 14.1.9.4 The Board shall consider the request and shall schedule a hearing to be held within ten (10) days after the request is received. The teacher shall be given at least five (5) days' notice of hearing.
- 14.1.9.5 The hearing shall be conducted informally and, upon agreement of both sides, in private. The teacher may be represented by counsel. The District shall have no obligation to pay for the service of counsel representing the teacher. A recorded transcription of the proceedings will be maintained. The Board or hearing officer may consider only such evidence as is presented at the hearing, and it need consider only the evidence that it considers fair and reliable. All witnesses will be placed under oath.
- 14.1.9.6 The hearing shall begin with the teacher's presentation of contentions, limited to those grounds specified in the request for a hearing and supported by such proof as is offered. When this presentation is concluded, the Board or hearing officer shall recess to consider whether the proof offered in support of the contention establishes the contention by a preponderance of the evidence. If it is determined that the contention has not been established, the Board or hearing officer shall so notify the parties and conclude the proceedings. If it is determined that rebuttal is desirable, the hearing shall present, in rebuttal of the teacher's contention or in general support of the decision to terminate, testimonial, and documentary proofs.
- 14.1.9.7 After the Superintendent or counsel completes the presentation, the Board shall consider the matter in executive session or the hearing officer may take the matter under advisement. A decision shall be made within fourteen (14) days following the completion of the hearing.
- 14.1.9.8 If the Board determines that the teacher's contention has not been established, it shall so notify the teacher and the Superintendent. Such a determination finally confirms the decision to cancel employment.
- 14.1.9.9 If the Board determines that the teacher's contention has been established, it shall so notify the teacher and the Superintendent by written notice that states what corrective action must be taken.

- 14.1.9.10 If the hearing was conducted by a hearing officer, the Board shall be bound by the findings of fact of the hearing officer; however, any conclusion drawn from those findings and the hearing officer's recommendations shall not be binding on the Board. The hearing officer will make written findings and recommendations to the Board and the teacher. The Board will act on the hearing officer's findings and recommendations at its next regular meeting following receipt of the recommendations.
- 14.1.9.11 No reprisals of any kind shall be taken by the Board of Education or by any member of the administration against any person who requests a hearing under the provisions of this policy.
- 14.1.10 Recall Eligibility
 - 14.1.10.1 A RIFed teacher may remain eligible for recall for a total of three (3) years, including leave of absence for which they are eligible based on current Employee Agreement language.
 - 14.1.10.2 Ninety (90) days prior to the end of the first and second year of recall eligibility, each individual shall be notified that in order to continue on recall status, notice of intention to return must be received by the Human Resources Office in writing within thirty (30) calendar days of notification.
 - 14.1.10.3 Ninety (90) days prior to the end of the third year on recall status, each individual shall be notified that their name will be removed from the recall list.
 - 14.1.10.4 It shall be the responsibility of the RIFed teacher to inform Human Resources in writing of any change of address.
 - 14.1.10.5 If a teacher is recalled to return to a teaching position in the District during the third year, the teacher will retain non-probationary status earned prior to the leave but will be placed on the salary schedule in accordance with hiring procedures relative to new hires.
- 14.1.11 Leave of Absence Status
 - 14.1.11.1 Each RIFed teacher shall be eligible for a two-year unpaid leave of absence.
 - 14.1.11.2 During the leave of absence, the teacher shall maintain all benefits accrued prior to the leave. The full cost of all health, dental, and life insurance premiums must be paid by the teacher.

- 14.1.11.3 If a teacher is returned to a teaching position in the District during the RIF leave of absence, non- probationary status, placement on the salary schedule, sick leave, and all other benefits accrued prior to the leave shall be retained.
- 14.1.12 Recall Order
- 14.1.12.1 RIFed teachers shall be recalled in order of greatest seniority for the endorsement area in which the vacancy exists.
- 14.1.12.2 The job offer shall be sent by certified letter to the last address given the District by the teacher. A copy of the recall letter shall be sent to the Poudre Education Association Office.
- 14.1.12.3 The teacher recalled shall have thirty (30) calendar days from the date the letter was mailed to respond to the job offer.
- 14.1.12.4 If a job offer is made and accepted for a position which begins during the academic year, the teacher recalled will be required to report to duty within thirty (30) days.
- 14.1.12.5 If a job offer is made and accepted for a position which begins with a new school year, the teacher recalled will be required to report for duty at the same time as other returning teachers.
- 14.1.12.6 Failure to respond to the recall notification or to report to the accepted job offer shall be considered refusal of the job offer.
- 14.1.12.7 Any teacher on the recall list who has signed a contract to work for another school district and who receives a recall offer from the District may refuse to accept the recall offer until that date when contract obligations to the teacher's current employer have been met but not to exceed the end of the current school year. When such a teacher receives a recall offer, that teacher must respond in writing stating that they will accept employment with the District at the beginning of the next school year and must attach verification of contract status with the other school district. Failure to accept a job offered while a teacher is employed by another school district shall not be construed as refusal of a job offer.
- 14.1.12.8 Any teacher on the recall list who refuses a job offer shall have their name removed from the recall list at that time.

- 14.1.12.9 A RIFed teacher accepting a recall offer involving a temporary position shall have the option to transfer into a permanent position should one become available. If there are two teachers so interested, this decision shall be based upon seniority criteria.

14.2 PRIVATIZATION OF SUPPORT SERVICES

The following agreement was reached in May 1993 negotiations regarding privatization of support services. The process contained herein will be followed when exploring whether or not to privatize services in the District. This process is designed to be in the best interest of both the employees and the District.

14.2.1 Privatization Belief Statements

- 14.2.1.1 The level of commitment of present classified employees to the students of the District will not and cannot be matched by employees of a private firm.
- 14.2.1.2 The decision to privatize support services should be data based and cost effective for the District.
- (A) If the decision to explore privatization is made, and service levels determined, a detailed analysis should be conducted by the affected areas to assist in preparing information for the bid process.
 - (B) The development and analysis of proposals should utilize the expertise of the managers and employees of the affected areas.
 - (C) Because of the time and resources required to implement a privatization study process, an area should be examined for possible privatization no more frequently than once every five years.
 - (D) Information should be gathered from other school districts where comparable privatization has previously occurred to see if positive results have been achieved.

14.2.2 Staff Retention Procedure for Privatized Service

All employees with less than three (3) years of service are laid off; employees with greater than three (3) years of service remain District employees managed by the contractor for five (5) years. All employees hired by the contractor become the contractor's employees paid on the contractor's salary and benefit schedules.

- 14.2.2.1 Contractor must interview all laid off employees who apply for open positions.

Adopted: 11/92 Revised: 08/06

- 14.2.2.2 After five (5) years, contractor must hire all employees with greater than three (3) years of service with the District; employees become subject to contractor's salary and benefit schedules.
- 14.2.2.3 After one (1) year, contractor may lay off (based on seniority) due to service/staffing level changes.
- 14.2.2.4 Salaries (hourly rate) may not be reduced for five (5) years. Salaries can increase subject to contractor and District agreement.
- 14.2.2.5 Contractor can terminate for documented non- performance after first six (6) months of service with contractor or immediately for violation of Board of Education policies or federal or state statutes.
- 14.2.2.6 Contractor is free to immediately utilize District personnel in the best suited position based on education, abilities, and talents for the District contract only.
- 14.2.2.7 Poudre School District health, dental, and life insurance benefits continue for the period the employee remains employed with the District.

ARTICLE 15 – STAFFING

15.1 PROVISIONS FOR CLASSIFIED STAFFING FLUCTUATIONS

The District may experience staffing fluctuations in an individual building, department, or District-wide due to:

- Decreased enrollment
- Decrease in the number of students selecting a given program
- Elimination of or changes in instructional programs or non- instructional programs
- Budget considerations
- Opening, closure, or consolidation of schools

The procedures specified in this Article shall not apply to temporary classified employees and classified employees serving a performance trial period.

Human Resources and the building administrator, department manager or director will follow the process outlined below when staffing fluctuations require the elimination or reduction in hours of one or more classified positions.

15.2 SITE-BASED CLASSIFIED POSITIONS

Site-based positions are typically budgeted through the school site's Comp. Plan and report to school building administration. Positions that are hired at a site(s) that are impacted by a reduction in hours or positions will be resolved at a site-based level. These are classified positions such as instructional paraprofessionals, IS paraprofessionals, office managers, secretaries, health techs, registrars, media specialists, EC and ECIS paraprofessionals.

Example: Two schools or programs are being consolidated. There are two employees in Office Manager roles and one needs to be reduced. As site based positions, Article 15.2 will be applied to the two positions impacted by the consolidation.

15.3 CENTRALLY ASSIGNED CLASSIFIED POSITIONS

Centrally assigned positions are typically budgeted for through a central District budget. These positions may or may not report to a central office supervisor. These are positions that are hired centrally or through a department specific process. The Department's Director or supervisor deploys the position(s) to divisions/departments/programs/schools. If a reduction in hours or staffing reduction is needed, it will be resolved on a district-wide level by the department's supervisor and Human Resources. These are classified positions that are hired through departments including but not limited to: Custodial Services, Language, Culture & Equity Division, Student Services, Child Nutrition, Information Technology, Human Resources, Finance, Early Childhood positions (such as enrollment, health, records, mentors, family specialists and coaches), Transportation, Outdoor Services, Communications, Legal, Integrated Services, and placed throughout the PSD system.

Example: Two schools or programs are being consolidated. There are two employees in a McKinney-Vento Family Advocate position between those sites and one needs to be reduced. As a centrally assigned position, Article 15.3 will be applied to all employees in

the McKinney-Vento Family Advocate position. Staff will be redistributed accordingly throughout the PSD system.

15.4 REDUCTION PROCESS

Identify the specific position by job title that is to be reduced and the number of positions or hours or days within that job title that will be reduced.

15.4.1 Site-based staffing fluctuations will be resolved within the building(s) where the staffing fluctuation originates.

15.4.2 Staffing fluctuations for positions that are centrally assigned will be resolved within the department/division where the staffing fluctuation occurs.

15.4.3 Utilize the following criteria to consider which employees are affected by the reduction in the following order:

15.4.3.1 Attempt to make the necessary reduction by first using natural attrition processes such as resignations, retirements, and leaves of absence.

15.4.3.2 Documented performance issues: After considering employee qualifications, if more than one employee is affected by the staffing fluctuation, then consider whether the employee has had any documented performance issues:

- Documented concerns in a performance review(s).
- Documented performance improvement plan(s) (PIP).
- Documented disciplinary write-ups.
- Other documented performance deficiencies.

If no employee in the impacted position has any documented performance issues, go to 15.4.3.3.

15.4.3.3 After 15.4.3.2, classified employees who are in their performance trial period will be eliminated or reduced.

15.4.3.4 Employee qualifications: Employee qualifications for the specific position, including but not limited to the employee's background (education, relevant experience, certifications, and training for the job), as determined by the employee's application, personnel file, and professional development record.

Example: One employee with 6 years of experience and an associate's degree, and one with 9 years of experience, are in the same role for two schools being consolidated. The employee with 6 years of experience knows and is certified as an RBT. This skill is required for many job duties the employee who is retained will perform. Therefore, the administrator selects the employee with 6 years of experience to be retained in the position. If both the 6-year employee and the 9-year employee have essentially the same skills, qualifications, education, etc., then go to 15.4.3.

- 15.4.3.5 Seniority: Seniority is based on the length of service the employee has served in the position/job title identified for reduction. Those with the most seniority, as defined above, would be given first consideration for the remaining position(s). Human Resources will provide a seniority ranking list for each position impacted by the staffing reduction to the school or department. ACE may review a copy of a specific seniority ranking list by making a request to the Senior Director of Human Resources.
- 15.4.4 Human Resources will review and consult with building administrators, department managers, and directors when staffing changes result in reductions that could impact an employee's benefit eligibility or termination of employment.
- 15.4.5 Notification timelines: Employees who are affected by a reduction, including elimination of a position, or reduction in hours per day, or days per year, during the development of annual comp plans will be notified no later than the first workday of May for school classified employees, so long as the final compensation plan for the school has been officially approved. Centrally assigned employees affected by a reduction will receive a minimum of a 30-day notice. Staff reductions that occur for classified positions at any other time of the year will receive a minimum of a 30-day notice.
- 15.4.6 Notification document to employee: If a staffing reduction results in loss of employment, a staffing reduction notice shall be issued to such employee clearly stating that the employee was released because of a staffing reduction..
- 15.4.7 Employees who held positions affected by the reduction resulting in job loss and who apply for other openings at the District shall be given priority consideration for re-employment to open jobs in the same job title they previously held for a period of three months.

Adopted: 11/92 Revised: 05/08 Revised: 04/15
Revised: 04/16 New Language Adopted 04/18
Revised 04/21

15.5 PROVISIONS FOR LICENSED STAFFING FLUCTUATIONS

The District may experience staffing fluctuations in an individual building or District-wide because of:

- Decreased enrollment
- Decrease in the numbers of students selecting a given program
- Elimination of or changes in instructional programs
- Budget considerations
- Openings of new schools

Human Resources will follow the procedures listed below to guarantee the most equitable resolution for the employees involved and the least impact on the educational program when it becomes necessary to alleviate staffing overages. An overage is a continuing contract licensed staff member whose assignment no longer exists at the current location and for whom a placement must be made.

Seniority is the primary criterion used to resolve staffing overages.

If staffing fluctuations require reductions in force (RIF) to alleviate the staffing overages, the RIF shall be conducted in accordance with Article 14 of this Agreement.

The District retains the right to transfer any individual to a position for which that individual is qualified in accordance with the requirement of Colorado School Law and District policy.

The first priority shall be to resolve the staffing overage within the building or program where the problem originates. In order to accomplish this, building administrators are encouraged to work with the appropriate Assistant Superintendent and Human Resources staff to use the following approaches to alleviate overages. Continuing contract as well as probationary staff members may be included.

Adopted: 11/92 Revised: 05/08 Revised: 04/15 Revised: 04/16
New language adopted: 04/18 Revised: 04/21

Adopted: 11/92 Revised: 05/95 Revised: 05/96 Revised: 07/04 Revised: 04/15

15.5.1 Share the information with the staff so all can be aware of the problem and can assist in generating solutions.

Rearrange existing staffing by moving staff into other areas of qualifications.

15.5.2 Encourage people who are going to resign to do so as early as possible.

15.5.3 Seek volunteers to request leaves of absence. A liberal approach may be taken in approving leave requests, as well as in extending unpaid leaves already in progress.

15.5.4 Seek voluntary retirements.

15.5.5 Encourage voluntary transfer requests.

15.5.6 Seek voluntary reductions in contract if the reduction does not harm the program as determined by the supervisor.

15.5.7 Seek one-year placements for people outside the building or program—replacing people on leave of absence elsewhere in the district guaranteeing that the person could return to the original placement if a position opens within one year of the reassignment, including changing levels.

- If options within the building cannot alleviate the staffing overage and a required placement is necessary, the following approaches will be followed.

15.5.8 Normally, the least senior staff member qualified in the area of overage will be identified as the staff member to be transferred.

15.5.9 The transferred staff member will be placed in an existing vacancy in the District. The decision regarding placement will be made by Human Resources staff working with the appropriate Assistant Superintendent in consultation with PEA and building principals.

15.5.10 The individual forced to transfer will be placed prior to any District-wide advertising and hiring in that person's area(s) of licensure and highly qualified status as defined by - Colorado State Statute.

The following factors will be used in calculating experience to determine seniority:

- Paid leave of absence time is included as experience (including sick leave during medical, or extended leaves of absence).
- Military leave of absence time is included as experience.
- The following criteria (in descending order) will be used to determine seniority of staff for requirement placements situations:
 1. Critical program needs
 2. Date employee started work under contract in the District.
 3. Amount of previous employment under contract in the District.
 4. Amount of previous employment in a licensed position, but not under contract (e.g., substitute) in the District.
 5. Amount of total work experience in the District.
 6. Longevity in that building or assignment.
 7. Amount of contract experience other than in the District, including experience which interrupted service as teacher.
- If it is not possible to alleviate the overage by transfer into an existing vacancy, and it becomes necessary to non-renew probationary employees on P-1 through P-3 contract, probationary teachers who receive their SPED or Early Childhood teaching license through PSD's Become a Teacher Program or were hired through PSD's J-1 Teacher Exchange program will be treated as though they are P-3 contracts regardless of their probationary years of teaching service.
- If it is not possible to alleviate the overage by transfer into an existing vacancy, it will become necessary to non renew probationary first-year (P-1) contracts District-wide in the affected level or assignment in order to provide a placement for the required transfer.
- If the non-renewal procedure at the P-1 level does not alleviate the staffing overage, it will become necessary to non-renew probationary second year (P-2) contracts in the same manner as described for P-1 contracts.
- If the non-renewal procedure at the P-2 level does not alleviate the staffing overage, it will become necessary to non-renew probationary third year (P-3) contracts in the same manner as described for P-1 contracts.
- A teacher placed in a required placement assignment may pursue a voluntary transfer later in the hiring season according to standard voluntary transfer procedures.
- If additional transfers are needed: Unique program needs may result in the review of additional criteria to determine transfer of staff. These situations will be treated as

exceptions to the rule and must be coordinated with Human Resources under the following steps:

- The building administrator will recommend the program-need consideration to the appropriate Assistant Superintendent and the Senior Director of Human Resources. The building administrator should consider the following in a program- need recommendation:
- Is there a person within the building who could step into this position and is willing, qualified (preparation/expertise), and committed to the defined program need?
- Can another school within the District benefit from this person's talent?
- If the person selected to remain in the assignment leaves the school or District prior to the actual transfer, could the position be filled with existing staff?
- The teachers directly affected by the decision regarding the program need will interview with the Senior Director of Human Resources to review options and preferences.
- If the staffing issue is still unresolved, a written petition will be submitted by the building administrator, as well as the teachers directly affected by the decision, to the Senior Director of Human Resources. In the petition, the building administrator presents rationale for the program-need decision which should also address the criteria and considerations listed above in (1); the teachers directly affected by the decision will present evidence of preparation, expertise, and commitment to the defined area of need.
- A committee of PEA representation, building administrators, the appropriate Assistant Superintendent, and the Senior Director of Human Resources will review the overage and make a recommendation to the Superintendent as to which teacher should transfer. The building administrators potentially affected by the decision will not be on the committee.
- If a person is transferred as an overage and the person who remained on staff leaves the assignment, the transferred teacher may automatically return to the assignment, if they choose, if the action occurs before the first day of classes in the subsequent school year.

15.6 STAFFING NEW SCHOOLS

- Each new school opening will present a unique set of circumstances. Therefore, flexibility in the staffing process must exist. General requirements throughout the staffing process for a new school are:
- Human Resources will oversee the staffing process and timeline for each new school.
- Existing District program needs have first priority with regard to staff selection and transfers. Areas with overages will take precedent over opening positions to other applicants resulting in some required placements. Staff renewal is also a priority when possible.
- Numbers of staff transferring to the new school will be limited to protect programs and stability at existing schools. District representatives will seek feedback from PEA, ACE and PASE when reviewing each new school situation prior to making a recommendation to the Superintendent as to the number of transfers that should take place.
- In-District continuing staff have first opportunity to express interest in a new school before positions are advertised to external candidates.
- Involuntary transfers will be made as a last resort.
- Qualifications, training, ability, certification, and teacher preference will be factors considered in selecting staff for new schools.

15.7 INTERNAL TEACHER EXCHANGES

- An opportunity exists for licensed staff to experience renewal and professional growth by exchanging assignments with other in- District personnel. Endorsement and highly qualified status must be considered for all assignments. In-District licensed exchanges are limited to continuing contract staff only. Salary and benefits are determined by the assignment; continuing contract status and accrued leave days are also retained throughout the exchange.
- Exchange assignments are suggested to be one year in length, but may occur for any time period which is logical for the assignment involved; i.e., hexter, quarter, or semester. At the conclusion of the exchange, all staff involved return to their previous

sites unless a permanent transfer is agreed to by all parties involved with the exchange.

- Licensed staff interested in an exchange should discuss renewal experience desired with the principals as well as with Human Resources. Upon mutual agreement of the principals and staff involved, an Employee Report (ER) Form for each teacher will be submitted by the receiving principal indicating Teacher Exchange—One Year Only.

15.8 ASSIGNMENT AND VOLUNTARY TRANSFER (LICENSED)

- The assignment of licensed staff members to positions in the various schools and departments of the District shall be recommended by the Superintendent and approved by the Board of Education. Advice from the principal(s) involved will be a critical factor in the recommendation by the Superintendent.
- Ability to perform duties, experience, qualifications, and special programs of schools will be the salient factors in filling vacancies and staffing new schools. All these being equal, currently employed teachers will be given every possible consideration.
- All available positions will be posted on the district's website
- Positions will be filled as soon as possible following the close of the posting period.
- The assignment of a licensed staff member to a specific school or department will not imply permanent assignment to that school or program. Non-probationary status is acquired in the District, as a whole, not in a particular school or department.

15.9 INVOLUNTARY TRANSFER (LICENSED TEACHER)

- Involuntary transfers of licensed teachers shall be made in accordance with the provisions of C.R.S. §22-63-206, as amended from time to time.

15.9.1 TRANSFER/COMPENSATION

A teacher may be transferred upon the recommendation of the Superintendent of a school district from one school, position, or grade level to another within the school district, if such transfer does not result in the assignment of the teacher to a position of employment for which the teacher is not qualified by

Adopted 11/92 Revised: 08/07 Revised: 04/15 Revised: 04/16

virtue of academic preparation and license and if, during the current school year, the amount of salary of such teacher is not reduced except as otherwise provided in subsections (2) and (3) of this section. There shall be no discrimination shown toward any teacher in the assignment or transfer of that teacher to a school, position, or grade because of sex, sexual orientation, race, creed, color, or membership or non- membership in any group or organization.

15.9.2

Notwithstanding the provisions of subsection (1) of this section, a teacher who has been occupying an administrative position may be assigned to another position for which the teacher is qualified if a vacancy exists in such position, and, if so assigned, with a salary corresponding to the position. If the school district has adopted a general salary schedule or a combination salary schedule and policy, the board may consider the years of service accumulated while the teacher was occupying the administrative position when the board determines where to place the teacher on the schedule for the assigned position.

15.9.3

Notwithstanding the provisions of subsection (1) of this section, the salary of a teacher who has received additional compensation for the performance of additional duties may be reduced if said teacher has been relieved of such additional duties.

15.9.4

A teacher may enter into an agreement for a leave of absence with a board of education that shall not affect the teacher's employment status, position on the salary schedule if the school district has adopted a general salary schedule or combination salary schedule and policy, or insurance and retirement benefits.

ARTICLE 16 – TRAVEL

16.1 BUILDING OBLIGATIONS—TRAVELING TEACHERS

- 16.1.1 Duties--such as attendance at staff meetings, activity sponsorship, and playground and bus duties--shall be assigned to traveling teachers on an equitable basis, taking into account the inherent inconvenience and extra work involved in teaching in two buildings, as well as the percent of time assigned to each of the two buildings.
- 16.1.2 A system should be developed in each building to communicate to the teacher who travels important announcements such as changes in daily schedules.
- 16.1.3 Building administrators supervising licensed educators who serve multiple sites and the affected educators must work together to ensure duty-free lunch time, planning time, and adequate traveling time. Conflicts should be brought to the attention of the principals by the traveling teacher and addressed with the building principals involved. Concerns not resolved at the building level can be brought to Human Resources.

16.2 ITINERANT TEACHERS

- 16.2.1 It is the responsibility of the teacher to assume the cost of travel to the first assignment in the morning and home from the last assignment in the afternoon.
- 16.2.2 No extra duties shall be assigned on a regularly scheduled basis.
- 16.2.3 Itinerant teachers shall submit a monthly mileage claim form for the actual miles driven while performing District business. Reimbursement for travel expense shall be paid at the prevailing District mileage rate for the itinerant teacher.
- 16.2.4 For those employees who sustain special travel expense in performance of approved District business, reimbursement shall be made upon application by the employee with the appropriate level.

16.3 SPECIALS TEACHERS TRAVELING TO MOUNTAIN SCHOOLS

- 16.3.1 Mileage reimbursement shall be made by submitting monthly mileage claim forms for payment at the District prevailing mileage rate.

16.4 STAFF WHO TRAVEL TO MOUNTAIN SCHOOLS AND HOMEBOUND INSTRUCTORS

- 16.4.1 It is the responsibility of all staff to assume the cost of reasonable travel to and from work.
- 16.4.2 However, the District recognizes there are additional costs to the employee for travel to a mountain school assignment. Therefore, mileage reimbursement will be made to staff at Red Feather, Livermore, and Stove Prairie. Mileage reimbursement shall be made for actual miles traveled beginning at the individual residence and ending at the mountain school but shall not exceed the number of miles from the JSSC to the mountain school. Reimbursement shall be calculated based on the District dollar allowance per mile for mountain schools.
- 16.4.3 This mileage rate will also apply to Homebound Instructors.
- 16.4.4 Additional mileage claims may be submitted for extra trips required by meetings, special programs, etc., as those occur.

16.5 ELEMENTARY TRAVELING SPECIALS TEACHERS

- 16.5.1 Sufficient time for traveling between buildings shall be allowed in addition to instructional preparation and lunch time.

16.6 ELEMENTARY SPECIALS TEACHERS

- 16.6.1 Traveling Teachers and Meetings

Their main school shall be their contact place for meetings. By request, some meetings will be necessary at their second school. Building administrators are expected to work out conflicts so that duplication of meetings will not happen and teachers will not have to put in double time.
- 16.6.2 Assigned Extra Duties

Percent of contract should equal percent of duties. Also, a full-time traveling teacher should only have to do extra duties that equal what a full-time teacher in one building would do.
- 16.6.3 Class Size

Class size for specials teachers should be equitable with the class sizes of other specials classes. It is recognized that site needs can allow for temporary regrouping of classes.

16.6.4 Extra Compensation

Some buildings have cut the contract of their specials teachers. In some instances, these teachers are still being expected to perform the same number of music programs, do before/after school art shows, track meets, book fairs, choirs, etc. Where this is happening those staff members (limited to specials less than 100% and specials traveling between buildings) should be compensated from the elementary extra duty funds allocated to each site. This compensation should be standardized across the District (Committee will determine standardization).

16.6.5 Travel Time and Money

Traveling specials teachers should be guaranteed that their negotiated duty-free lunch and planning time not be used for travel. In addition, they should be getting mileage paid by the District.

16.7 PREPARATION TIME/TRAVELING TEACHER

16.7.1 An uninterrupted period of not less than forty (40) minutes shall be scheduled for daily instructional preparation by traveling teachers during regular school hours. This applies to both elementary and secondary teachers who travel.

Note: It would be advantageous if this planning time could occur prior to starting the teaching assignment in the second building. Principals should take this into account when planning schedules.

17.1.3 An administrator's or professional's employment status with respect to their current administrative or professional assignment shall be at-will, which means that the administrator or professional serves at the discretion of the Superintendent and that their administrative or professional assignment may be terminated without cause.

- 17.1.4 In cases where discipline is warranted due to an administrator's or professional's conduct, the administrator's or professional's supervisor shall use progressive discipline, training and/or other tools to address the problem if the supervisor deems appropriate under the circumstances, subject to approval by the Superintendent. Nothing in this Section 17.1.4 shall be construed to create a property right in favor of an administrator or professional, or to create any limitation or precondition on the District's ability to transfer, reassign or terminate the employment of an administrator or professional.
- 17.2 PROCEDURAL SAFEGUARDS REGARDING ADMINISTRATOR OR PROFESSIONAL TRANSFERS, REASSIGNMENTS, RECLASSIFICATIONS OR REDUCTIONS IN FORCE
- 17.2.1 TRANSFER OR REASSIGNMENT

- 17.2.2.1 Administrators and professionals shall be provided reasonable notice prior to the reclassification of their jobs, including the reasons for the reclassification.
- 17.2.2.2 If the reclassification involves a reduction in pay, the reduction shall not take effect until the subsequent contract year of any administrator or professional to whom it applies.
- 17.2.2.3 Administrators and professionals shall be provided an opportunity to meet with the Superintendent to discuss the decision to reclassify their jobs.
- 17.2.3 REDUCTION IN FORCE
- 17.2.3.1 Administrators and professionals shall be provided reasonable notice prior to a reduction in force resulting in the elimination of their jobs.

- 17.2.3.2 Administrators and professionals shall be provided an opportunity to meet with the Superintendent to discuss the reduction-in-force decision.

17.3 SCHOOL CLOSURE/CONSOLIDATION

- 17.3.1 Administrators and professionals shall be provided reasonable notice before a change in their employment status due to school closure or consolidation.

DEFINITIONS

School Closure – A school’s students are assigned to an existing active school or schools. Employees from the closing school who wish to continue employment with the District, may apply to available positions within the District.

School Consolidation – Two or more schools are to become a new school. One or more of the consolidating schools’ building(s) may be used for the new school, or another building altogether.

Other Applicable Laws -- Some circumstances where the administrative professional positions may not be an exact match may require the District to post the positions to comply with Equal Pay for Equal Work Act (EPEWA) and other applicable laws.

- 17.3.2 Administrators and professional shall be provided at least two weeks notice before a change in their employment status due to school closure or consolidation.

- 17.3.3 When an administrator or professional job is eliminated through school **closure**, the employees of the closing school who wish to continue employment with the District may apply to other available positions for which they are qualified in the District. The District will post position(s) with matching job titles and duties that are available throughout the District as *internal only*. Employees at the school receiving the students will retain their positions as budgeted through the school’s staffing plan.

When an administrator or professional job is eliminated through **consolidation**, the District will post the administration positions for the new or unified school as *internal only*. Administrators and professionals from the consolidated schools will be encouraged to apply for the positions at the new or united school.

The Superintendent may at their discretion assign an administrator or professional to an available administrative or professional position for which the administrator or professional employee is qualified, as an interim for period of no more than nine (9) months, or as otherwise permitted by applicable state and federal law. If the Superintendent determines that there are no appropriate positions for an interim opportunity and the employee has not secured other employment within

the District, the administrator's or professionals' employment may be terminated.

- 17.3.4 Administrators and professionals shall be provided an opportunity for a conference with the supervisor recommending their interim transfer or reassignment before it takes effect.

17.4 PROCEDURAL SAFEGUARDS REGARDING ADMINISTRATOR AND PROFESSIONAL TERMINATION OF EMPLOYMENT

- 17.4.1 The Superintendent is authorized to terminate the employment of District administrators and professionals, unless otherwise provided by law. District supervisors may recommend to the Superintendent that the employment of administrators and professionals they supervise be terminated, in which case action on such recommendations shall be taken by the Superintendent if the Superintendent agrees with the recommendation.
- 17.4.2 Administrators and professionals may be immediately placed on administrative leave with full regular compensation and benefits prior to action being taken on the termination of their employment that is contemplated by the Superintendent and/or recommended by a supervisor. At the time an administrator or professional is placed on leave, they shall be advised of the reason(s) therefor.
- 17.4.3 Prior to taking action on the contemplated or recommended termination of an administrator's or professional's employment, the Superintendent shall provide written notice via hand-delivery, e-mail or certified mail advising the administrator or professional of: (a) the reasons termination of employment is contemplated or recommended; and (b) their right to a conference as provided under Section 17.3.4.

17.5 CONFERENCE PROCEDURES

- 17.5.1 Prior to termination of the administrator's or professional's employment, the employee may request a conference with the Superintendent. Such request shall be made in writing to the Superintendent within ten (10) working days after the date the notice of contemplated or requested termination of employment was hand-delivered or mailed. If no conference is timely requested, action on the contemplated or requested termination of employment may be taken by the Superintendent.
- 17.5.2 To the extent practicable, a conference shall be held within ten (10) working days after the administrator's or professional's written request therefor is received.
- 17.5.3 The administrator or professional shall have the right to be accompanied

and assisted by a representative of their choice at the conference. If the administrator or professional chooses to be represented by an attorney at the conference, 72 hours' advance notice shall be given to the Superintendent.

- 17.5.4 The Superintendent may attend the conference in person with a witness or representative also present or may be represented at the conference by a designee authorized by the Superintendent with a witness or representative also present. In either case, within ten (10) working days after the conference the administrator or professional shall be advised in writing of the Superintendent's decision regarding the contemplated or requested termination of the administrator's or professional's employment.

Career Incentive Plans

POUDRE SCHOOL DISTRICT

CLASSIFIED CAREER INCENTIVE PLAN

Article 12.17 - Employee Agreement

It is the intent of Poudre School District to provide a career incentive benefit for eligible employees. This benefit will be maintained as part of the total benefits package for Poudre School District employees.

Career incentive plans are to be managed by each employee group. For budget calculation purposes, career incentive plans are considered as part of the base staffing cost of the district and increases or decreases in dollar amounts paid for such plans are included in the calculation of annualized percent change in compensation for the group.

The Association of Classified Employees (ACE) has developed the following Career Incentive Plan for eligible Classified Employees. Eligible employees will automatically participate in the plan.

Classified Career Incentive Plan

The plan is intended to be established and qualified under Section 457(b) of the Internal Revenue Code as a tax free deferred compensation retirement plan. This plan is adopted to provide benefits upon retirement or death and is separate from your Public Employees' Retirement Association (PERA) retirement.

Eligibility: Classified Employees are eligible if they:

- have completed six (6) consecutive years of District Service
- meet the required work hours defined in the table below
- are actively receiving a paycheck from the District

Standard Days in Assignment	Minimum Scheduled Hours Per Day
141	7.39

215	4.84
220	4.73
225	4.63
230	4.53
260	4.01

Classified Employees who are on an unpaid leave of absence are not eligible.

An academic year Classified Employee who is staffed out at the end of one year and rehired within 30 calendar days of their standard contract start date for the next year does not incur a break in service.

This benefit cannot be received during a transition year. Employees receiving PERA retirement benefits are not eligible for this benefit.

Eligibility will be established on a monthly basis and will begin the first of the month following the Classified Employee's completion of six (6) consecutive years of Service.

Description of Benefit: The Employer will contribute on behalf of each eligible Classified Employee an amount equal to a uniform percentage of each Classified Employee's Compensation for the Plan Year, as determined by the Employer. The Employer shall make payment of its contributions on a monthly basis. The Employer contributions will be treated as a deferral subject to the deferral limitations set by the Internal Revenue Service for 457(b) deferred compensation plans.

Once a Classified Employee becomes eligible for the Classified Career Incentive Plan, they will continue to receive the benefit in subsequent years subject to annual recalculation of the benefit under the guidelines set forth in this document and subject to the information outlined in the **Negotiated Agreement, Appropriation and Availability of Funds** section of this document.

Notification Process

Eligible Classified Employees will be notified in writing of the benefit payment the month prior to the effective date of eligibility.

Definitions

Classified Employee – an individual employed by the District whose pay is determined by the

Classified Hourly Salary Schedule (H) or the Classified Exempt Salary Schedule (Y), excluding temporary work, contract service and substitute employees.

Compensation - the total salary paid for all classified assignments determined by an employee's regularly scheduled hours. Compensation does not include extra duty or other additional salary like additional time or overtime.

Employer - Poudre School District

Plan Year – is defined as August 1 through July 31.

Service – the number of years of uninterrupted regular classified employment with Poudre School District. Time worked in temporary, contract service, and substitute positions are not considered in determining consecutive years of employment. An unpaid leave of absence will not count as service except as required by the Family and Medical Leave Act and the Uniformed Services Employment and Reemployment Rights Act, nor will it constitute an interruption of service.

Negotiated Agreement, Appropriation and Availability of Funds

The Classified Career Incentive Plan is based upon a negotiated agreement.

It is subject to change by future negotiated agreement and annual review. It is further subject, at all times, to the budgeting, appropriation, and availability of funds.

CAREER INCENTIVE LONGEVITY SALARY PLAN FOR ADMINISTRATORS & PROFESSIONALS

The following Career Incentive Longevity Salary Plan for administrators and professionals has been developed by the Poudre Association of School Executives (PASE). This benefit replaces the previous Administrative Career Incentive Plans effective prior to August, 2004.

Part I - Career Incentive Longevity Salary Plan for Administrators and Professionals

Effective Date: August 2007

Eligibility: Current administrators and professionals including administrators and professionals on transitional retirement are eligible. A part-time administrator or professional will receive the Career Incentive Longevity Salary Payment based on the administrative or professional assignment percentage only.

Description of Benefit: The Career Incentive Longevity Salary Payment will be paid in equal monthly installments as part of the administrator's or professional's annual salary. An eligible administrator's or professional's annual Career Incentive Longevity Salary will be calculated as follows:

3 - 7.99 completed District Admin. or Professional Yrs/Svc = 4% of the administrator's or professional's base salary

8 + completed District Admin. or Professional Yrs/Svc = 5% of the administrator's or professional's base salary

The total dollar amount available to fund the Career Incentive Longevity Salary Plan and the percentage factor per year of administrative service or professional service will be negotiated annually.

Once an administrator or professional becomes eligible for Career Incentive Longevity Salary Payment, they will continue to receive the benefit in subsequent years subject to an annual recalculation of the benefit under the formula set forth above and subject to Part III.

District costs associated with the payment of Career Incentive Longevity Salary Payments, such as the employer's share of PERA and Medicare contributions will be deducted from the Career Incentive Longevity Salary Plan Fund available for distribution.

Part II - Definitions

"Poudre School District Administrative or Professional Years of Service" is the total years worked for the School District as an administrator or professional whether full time or part time, except that breaks in service and unpaid leaves of absence are not included unless covered under FMLA. POUDRE SCHOOL DISTRICT

LICENSED CAREER INCENTIVE PLAN

Article 12.17 – Employee Agreement

It is the intent of Poudre School District to provide a career incentive benefit for eligible employees. This benefit will be maintained as part of the total benefits package for Poudre School District employees.

Career incentive plans are to be managed by each employee group. For budget calculation purposes, career incentive plans are considered as part of the base staffing cost of the district, and increases or decreases in dollar amounts paid for such plans are included in the calculation of annualized percent change in compensation for the group.

The Poudre Education Association (PEA) has developed the following Career Incentive Plan for eligible Licensed employees. Eligible employees may participate in the "Longevity Pay Plan," the "Unused Sick Leave Pay Plan," or both. **PER THE 2024-25 MOU - CURRENT LICENSED EMPLOYEES WILL HAVE A CHOICE TO REMAIN IN THE BELOW PLAN OR ELECT THE NEW LICENSED LONGEVITY - CAREER INCENTIVE PLAN.**

A licensed employee who is dismissed pursuant to the Teacher Employment Compensation and Dismissal Act of 1990, as now in effect or hereafter amended, shall not be entitled to receive payment under the Licensed Career Incentive Plan subsequent to the date the Board of Education dismisses the licensed employee or 120 days after the Superintendent recommends dismissal to the Board, whichever is earlier.

Longevity Pay Plan

Eligibility: Licensed employees are eligible if they have:

- completed at least 20 years of Poudre School District service as of each September 1 (see definition of "Years of Service");
- at least 15 years of service as a licensed employee as of each September 1 (see definition of "Years of Service as a Licensed Employee"), and;
- at least 5 years of service as a licensed employee as of each September 1 completed immediately prior to receiving the benefit.

Approved leaves of absence shall not constitute a break in the five years of service as a licensed employee required immediately prior to the termination date. Interim administrative assignments of one year or less by a licensed employee shall not count as an interruption of service.

Licensed employees who have previously received benefits under the licenses/certified severance option or exit incentive (in effect prior to July 1, 1995) are not eligible for the Longevity Pay Plan benefit.

Licensed employees who have received the maximum three-year benefit under the Career Incentive Pay Plan option are eligible for the Longevity Pay Plan benefit. Description of Benefit:

The Longevity Pay Plan benefit will be paid in equal monthly installments as part of the licensed employee's annual salary. An eligible licensed employee's annual longevity pay will be calculated as follows:

- Any licensed employee who has completed 20 years but less than 23 years with Poudre School District will receive an annual \$1,500 longevity payment, subject to the limitations listed below.
- Any licensed employee who has completed 23 or more years with Poudre School District will receive an annual \$3,000 longevity payment, subject to the limitations listed below.

Once a licensed employee becomes eligible for the Longevity Pay Plan, they will continue to receive the benefit in subsequent years subject to annual recalculation of the benefit under the guidelines set forth above and subject to the information outlined in the **Negotiated Agreement, Appropriation and Availability of Funds** section of this document.

This benefit cannot be received during a transition year.

Payments under the Longevity Pay Plan benefit **ARE** included as salary for PERA purposes.

Limitations:

- Licensed employees will receive a prorated amount based upon their licensed contract percentage.
- Any employee who has a part-time licensed position and receives the career incentive benefit will receive the same percentage longevity pay or unused sick leave pay calculation as their licensed contract percentage.
- The payment will increase or decrease on a prorated basis if there is an increase or decrease in the licensed employee's contract percentage during the time they are receiving payments.
- The payment will be adjusted on a monthly basis if there is an increase or a decrease in the licensed employee's contract percentage during the time they are receiving payments.

Unused Sick Leave Pay Plan

Eligibility: Licensed employees are eligible if they have:

- completed at least 15 years of Poudre School District service (see definition of "Years of Service");
- at least ten years of service as a licensed employee (see definition of "Years of Service as a Licensed Employee");
- voluntarily terminated employment from the District; and
- at least five years of service as a licensed employee completed immediately prior to the termination date.

Approved leaves of absence shall not constitute a break in the five years of service as a licensed employee required immediately prior to the termination date. Interim administrative assignments of one year or less by a licensed employee shall not count as an interruption of service.

Licensed employees who have previously received benefits under the licensed/certified severance option or exit incentive (in effect prior to July 1, 1995) are not eligible for the Unused Sick Leave Pay Plan benefit.

Licensed employees on transitional retirement will receive payment of this benefit on their final check prior to the start of their transitional retirement period pending final calculation of unused sick leave.

The Unused Sick Leave Pay Plan benefit is available only once to eligible licensed employees who terminate employment.

Any employee who has a part-time administrative position and a part-time licensed position and receives the career incentive benefit will receive the same percentage career incentive pay or unused sick leave pay calculation as their licensed contract percentage.

Description of Benefit: Upon electing to terminate employment with the District, eligible licensed employees will be paid for unused sick leave and PTO leave time carried forward to sick leave. The licensed employee will automatically receive payment for this benefit prior to the start of their transitional retirement period pending final calculation of unused sick leave. The benefit will be calculated as follows:

Licensed employees who meet eligibility guidelines, have at least 15 but less than 20 years of service, and who terminate employment, will receive **\$37.50** per unused sick leave day with no maximum benefit, unless it becomes necessary to adjust the per diem payment amount as indicated in the NOTE on page 4.

Licensed employees who meet eligibility guidelines, have at least 20 years of service, and who terminate employment under the following circumstances will receive **\$75.00** per unused sick leave day with no maximum benefit, unless it becomes necessary to adjust the per diem payment amount as indicated in the NOTE on page 4.

Death Benefit: The estate of an employee whose death occurs prior to termination of employment may be eligible for the payment of the Unused Sick Leave Pay Plan benefit. If an employee would have been eligible for payment of the Unused Sick Leave Pay Plan benefit had they terminated employment at the end of the school year when death occurred, payment shall be made to the licensed employee's estate in the manner as if the licensed employee had terminated employment at the end of that school year.

Application and Notification Process

Longevity Pay Plan

An application for the Longevity Pay Plan benefit is not necessary.

Eligible licensed employees will be notified in writing of the benefit payment by July 15. Payment for this benefit will begin on the August 31 paycheck following the determination of eligibility.

Unused Sick Leave Pay Plan

An application for the Unused Sick Leave Pay Plan benefit is not necessary.

Eligible licensed employees will be notified upon termination of their unused sick leave balance and the payment calculation.

Definitions

Total Allowable Funding- shall mean all dollars in the fund determined by future negotiated agreement and annual review.

Total Unused Sick Leave Pay Plan Benefit- as it would be calculated in the **Description of Benefit** section of the Unused Sick Leave Pay Plan.

Years of Service- the total years worked for the District in any type of employment whether full-time or part-time, except that employment as a substitute teacher or unpaid leave of absence not covered under the Family Medical Leave Act of 1993 are not included. Years of service need not be consecutive provided there are at least five years of service as a licensed employee from the most recent hire date to the termination of employment date.

Years of Service as a Licensed Employee- years of service under a teacher contract, and paid from the teacher salary schedule, as distinct from years of service as a classified or administrative employee.

Negotiated Agreement, Appropriation and Availability of Funds

The Longevity Pay Plan and the Unused Sick Leave Pay Plan are based upon a negotiated agreement.

They are subject to change by future negotiated agreement and annual review. They are further subject, at all times, to the budgeting, appropriation, and availability of funds.

NOTE: If the total of all payments for those licensed employees receiving benefits from the Longevity Pay Plan and the Unused Sick Leave Pay Plan exceeds the Total Allowable Funding for the Licensed Career Incentive Plan then payment received for the Unused Sick Leave Pay Plan will be reduced by \$1 per day for each licensed employee of 20 or more years of service plus \$.50 per day for licensed employees who have at least 15 years but less than 20 years of service until the total for the Longevity Pay Plan and the Unused Sick Leave Pay Plan is less than or equal to the Total Allowable Funding for the Licensed Career Incentive Plan. Any funds remaining after the Longevity Pay Plan and the Unused Sick Leave Pay Plan are fully paid shall be carried over to the next Licensed Career Incentive Plan Year.
