**PERQUISITES FOR CABINET EMPLOYEES:**

In addition to their base salary, all job codes on this salary schedule will receive the following:

**Flexible compensation** equivalent to the total annual cost of the District's family medical and dental benefits. For the 2024-2025 school year, this rate is based on the gross annual amount of \$26,088.00, paid in monthly installments.

**Additional compensation** equivalent to the required member contributions on the employee's salary paid to the Public Employee Retirement Association fund, approximately 11% of employee's salary, paid in monthly installments.

**Mileage compensation** for in-District mileage expenses incurred in employees' personal vehicle as a result of the professional responsibilities related to their position, at a rate based on the gross annual amount of \$5,520.00 for the 2024-2025 school year, paid in monthly installments.
