

EEAEC - STUDENT CONDUCT ON SCHOOL BUSES

The privilege of riding a school bus is contingent upon a student's good behavior and observance of established regulations for student conduct at bus stops and when using bus services.

Students are subject to the District's Student Code of Conduct and to the bus operator's directions at all times in connection with their school bus usage. The operator of a school bus shall be responsible for the safety of the students on his/her bus during the time they are on board and while they are entering or leaving the vehicle. A bus operator may suspend a student's bus-use privilege in accordance with accompanying District regulations and upon direct authorization of the director of transportation or his/her designee.

Principals/site managers shall be responsible for students' conduct while they are waiting for buses at school, and shall cooperate fully with transportation department personnel in addressing student misbehavior.
