

## **IHBIA - KINDERGARTEN PROGRAMS**

Poudre School District will offer a voluntary, partially tuition-based, full-day kindergarten program at interested elementary sites. This educational option is an educational extension to the Poudre School District half-day kindergarten program.

The Poudre School District full-day kindergarten program is based on voluntary participation. No student will be excluded on the basis of ethnicity, race, color, religion, national origin, ancestry, sex, sexual orientation, or disability. All sites which offer full-day kindergarten services will endeavor to provide the services regardless of the families' ability to pay.

Elementary schools may choose to provide the program with PSD staff or partner with a district-approved community early childhood provider.

No facilities use fee will be assessed.

This policy would apply to any kindergarten program which is based on tuition.

An annual report will be provided to the Board of Education.
