

POUDRE SCHOOL DISTRICT OFFICE OF EQUITY AND DIVERSITY

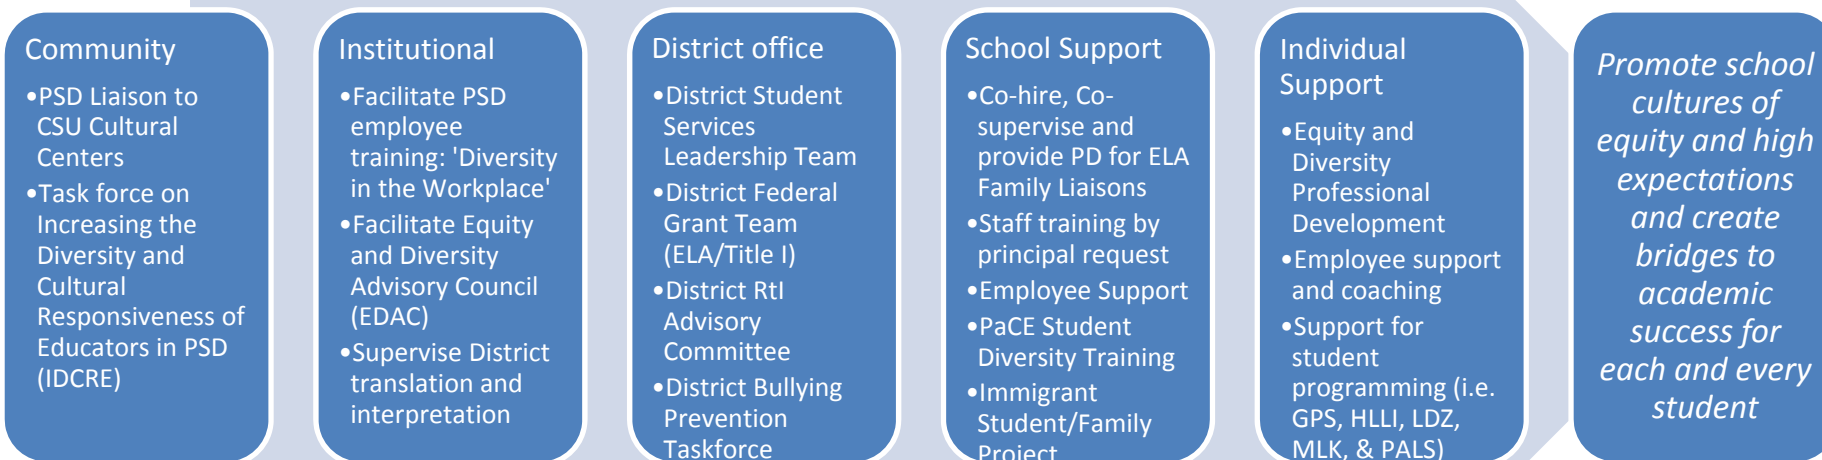

As a member of the Student Services team, the work of the Equity and Diversity Coordinator includes:

- Consciously addressing individual and institutional practices and policies in order to promote school cultures that demonstrate equity and high expectations in students and staff, and
- Creating bridges to academic success and working to close access and opportunity gaps for underrepresented students and their families.

To address the summary of work, the Equity and Diversity Coordinator will work at three main levels: individual, institutional, and community as illustrated below:
